## INTRODUCTION

Beloved Friends of The True Light of Liberation:

A coordinated world wide service of departed Souls and a cleansing of the inner planes of this planet is now underway with full force and the full blessings of the Spiritual Hierarchy. For the Earth to complete Her great forward leap into the Consciousness of God "I AM", the great enemy of Light, fear and death, must be conquered, as was proven by the Master Jesus, through the powers of the Sacred Fire. -- With all the authority of the Father, the Son and the Holy Spirit, departed souls must have clear and free access into the Light. And for those yet embodied, the inner path toward

the Light, in consciousness, must be made safe and secure from the destructive intent of impure spirits. These need to be loved free by the God Forces at our command.

Speaking on this, Beloved Mother Mary has said .....

"It is well to remember that in the loving Service which you have assumed, there are some ten billion lifestreams involved, four billion in embodiment on the Earth at the present time. The others have either just departed this life or are waiting to enter an Earthly garment. This relates to the human kingdom alone.

As so many of the peoples who are departing this life, in every twenty-four hour period, have no one on Earth who cares for them, the impersonal

Service of your prayers acts particularly to assist such 'unwanted ones' to make an easy transition from the Earth into the Heavenly Realms, where all are both wanted and loved.

Know that, as you render this impersonal Service, you are indeed clothed in the Mantle of Mary, and I, as you can, too, hold all peoples in the Divine Concept in which they were created by the One God."

(From *Friends of Mercy*)

And Beloved Serapis Bey has stated .....

"It is to invoke your prayers upon their behalf that I speak to you today. Since first disintegration, decay and so-called death itself was accepted by the human race upon the Earth. the

Angel of Liberation encounters the FEAR which is deeply rooted in the soul which loses its physical sheath. We, Who live to make mankind cognizant of Eternal Life, will greatly appreciate your individual and collective decrees for the removal of the cause and core of all FEAR and the permanent atom, created in caverns beneath the Earth's surface by those individuals who used black magic, to make a living entity of death. This atom (\*), more powerful than any discovered by nuclear science, was created long ago by the free will of those who desired to enslave the peoples of Earth and is fed by the grief, selfishness and fear of the very people it has entrapped. Its permanence is about to cease! It has lived in a vampire activity, fed and flourished by the grieving energies of the bereaved as well as the rebellions and resentments of all who have

passed through death while in an antagonistic, resentful or violent emotional state. As We continue with your assistance, to help you understand how to INVOKE Our Flames and Rays into the cause and core of fear, and the entire Hierarchy directs Their Cosmic Flames and Rays into that atom, it will help Us to remove the atom itself, and all its tentacles, which are presently embodied in the emotional, mental, etheric and physical consciousness of mankind, imprisoned Angels, the elemental kingdom, the animal kingdom and all imprisoned life everywhere."

(From *Friends of Mercy*)

(\*) -This atom is a consciously created destructive focus and is not to be confused with the Cohesive

Power of the Planet Earth Itself.

The Permanent Atom of the Planet is held within the Planetary Three-fold Flame at Shamballa, protected by The Lord of The World, Whose responsibility it is to sustain the Cohesive Power of the Earth through Love Divine.

## THE SERVICE

### Section A

**“Establishing True Identity and  
God Authority for This Service”**

### HEART OF THE SACRED FIRE

I now consciously enter into and abide within the Heart of the Sacred Fire which is the true center of my BEING. “I AM” now centered and I remain within the Heart of the Sacred Fire, and I speak and command with authority. (3X)

## "I AM" THE DIVINE IMAGE OF GOD!

"I AM" the Divine Image of God manifesting Perfection in my being and world, and for the children of God, everyone, everywhere, in His Supreme Name, FOREVER!

Wherever "I AM" my very Presence in the Universe is a constant outpouring and release of God Life and Light; God Truth and God Freedom to all I contact, every day, in every way! (3X)

### GOD AUTHORITY

In the Full Authority of the Father, and of the Son, and of the Holy Spirit, "I AM" GOD IN ACTION in the fulfillment of this service now!  
(3X)

So be It, Beloved "I AM".

## Section B

### "Protecting Myself"

#### MANTLE OF LIGHT DECREE

Beloved Presence of God "I AM" in me, I gratefully acknowledge in my mind and accept in my feelings the living Reality of Your Mantle of Electronic Light Substance enfolding me in a blazing aura of ever-expanding protection.

From within Thy Cosmic Heart I feel the pulsation of the Flame of Divinity, the Presence of the Christ radiating through my consciousness . . . through which flows at all times the virtues, qualities and blessings from God - and His Messengers - to me and through me to all Life everywhere.

I also acknowledge and accept the mighty armor of Light and invincible momentum of Faith so lovingly offered to me by Archangel Michael and my own Angel of Protection (*name*). And with the loving conviction of Lord Michael, I decree:

The Light of God never fails (3X)

I live this day in God Light (3X)

God is in control wherever "I AM" (3X)

THE HARMONY OF MY TRUE BEING  
IS MY ULTIMATE PROTECTION

I do now invoke the added assistance of God's magnificent First Ray: Of Beloved Hercules and Holy Amazon, Beloved Lord Michael, Beloved Lord Conrad, Beloved Micah and Beloved El Morya to keep this ACTIVITY OF LIGHT sustained around me and my world so that only the WILL OF GOD may manifest in all my activities, in all places and at all times! I make this call As God's most Holy Name, "I AM".

## Section C

**"Invocation to the Light of God that never fails to establish Its authority in the inner planes of Earth."**

DECREE TO BELOVED LORD SHRI MAGRA  
(Ancient Lord of the World,  
Cosmic Being of Great Light)

In the Name of the Presence of God "I AM", we call to You, Beloved Lord Shri Magra and Your Angelic Legions of Light serving in the astral plane . . . we invoke Your Rays of Violet Lightning in the fulfillment of this decree:

**\*POWERS OF LIGHT! POWERS OF LIGHT!  
POWERS OF LIGHT! COME FORTH NOW!**

BLAZE THE LIGHT OF GOD THROUGH  
OUR BEINGS. (3X)

EXPAND THAT LIGHT! (3X) to dissolve the  
shadows of human creation in the astral realm.  
(\*3X)

We ask that you keep our call sustained, all  
powerfully active and ever expanding, until the  
emotional realms of this planet are only pure God  
Qualities.

We so DECREE IT as an active co-server  
with The Great White Brotherhood.

AS GOD'S MOST HOLY NAME "I AM"!

## Section D

### "Prayers for Departed Souls"

1.)

#### THE JOY OF DIVINE PASSAGE

Beloved Presence of God "I AM" in us,  
Beloved Ascended Masters Saint Germain and  
Serapis Bey, and all Divine Beings who serve in  
the Fourth and Seventh Rays, *COME FORTH NOW*  
and

BLAZE! BLAZE! BLAZE!

Your Cosmic Flames and Rays into the cause and

core of all fear and grief connected with so-called death.

TRANSMUTE! TRANSMUTE! TRANSMUTE!

it all and replace it with the full power of the Ascension Flame and Its gift of eternal Joy in Everlasting Light.

So be It, Beloved "I AM".

2.)

MANKIND, LEAVING THE EARTH TODAY

Beloved Presence of God "I AM" in the hearts of all mankind! Beloved LORD MICHAEL,

the Archangel of Deliverance, and Your Angelic Host!

In the Name of the mankind of Earth . . . particularly those who shall be called forth from their mortal forms this day - we make this CALL!...

Let the Angels of PEACE stand by the physical body of each soul and hold the atmosphere and feelings where such release is taking place at Perfect Peace! Let an Aura of Sanctity abide at the hour of Transition, that the soul may be easily CUT FREE from its earthly tabernacle, and no grief, nor fear, nor sorrow distress it at the Threshold of New FREEDOM!

Let the Angels of Deliverance meet each soul! Let not a Lifestream belonging to our EVOLUTION pass through the Veil of so-called death "Unattended"! Let each one be taken

QUICKLY to the Temples of Mercy and Forgiveness and be bathed in the Purifying Fires of Saint Germain's Violet Flame! Let them be prepared to enter the Halls of the Lords of Karma in DIGNITY and in conscious awareness. May each one be assigned to a Schoolroom of the Ascended Masters and joyously and happily enter into the study of the LAW of their own Life!

We call to the Lords of Mercy and Love to enfold all those whose loved ones are about to leave or have just left this Earth . . . to melt away all grief and sorrow and to fill each heart and home with happiness and gratitude for the opportunity afforded their loved one to know *TRUE FREEDOM* and *PROGRESS* upon Life's Path!

SO BE IT!

3.)

### LIBERATION AND THE LAW OF DETACHMENT

In the Name of the Presence of God anchored in us and all our brothers and sisters who have left their physical bodies and passed through the change called death, in the name of our own Arisen Christ and the Cosmic Christ of this planet! . . .

We invoke the Angels of Liberation to meet these dear souls and flood them with the Liberating Light of Immortality. Assist them through transmutation in detaching from all persons, places, conditions and things of the physical plane . . . and

to go forward in their spiritual progress into the higher etheric realms, under Your loving protection.

Assist us also in detaching from specific people and things, likes and dislikes, until this ever changing world has no effect on our perfect equilibrium, and we remain centered in the true Liberation of Christ Consciousness, while in embodiment.

In the Name of the Law of Divine Detachment and Perfect Liberation for all mankind, Angels and Elementals, we accept this done!

So be It, Beloved "I AM"!

4.)

#### ASSURING ALL DEPARTED SOULS PASSAGE INTO THE LIGHT

In the Full Power and Authority of the Beloved Presence of God "I AM", Beloved Archangel Michael and Your Ascended Legions of Light:

Come forth now, on behalf of the souls of all those not fully free, who have passed through the change into the inner realms and:

CUT THEM FREE! CUT THEM FREE!  
CUT THEM FREE! (3X)

Purify their souls. (3X)

And deliver them . . . into the Ascended  
Master Temples of Light.

I expect and accept this manifest right now,  
with full power, eternally sustained, all powerfully  
active, until every child of God has returned into  
the Light.

We so decree it, as God's Most Holy Name...  
"I AM".

## Section E

### "Sealing This Service in Victory"

In the Name of the One Victorious Light  
of "I AM":

I seal this service in the Victory of the  
Ascended Jesus Christ and the Light of God that  
never fails. (3X)

So be It, Beloved "I AM".

Mother Mary:

"GOD BLESS YOU! I desire to thank you, each and every one, who realize the full import of prayers for the peaceful departure from the Earth-plane of all those who have, for a time, been embodied upon it. One day, you will see that fullness of that service which you render, and rejoice that you have been alert enough to assist all such souls passing from the Earth without strain, stress, struggle or opposition upon their own parts or that of their families."

(From *Friends of Mercy*)

From your co-servers:

"GOD BLESS YOU! We are most grateful to you for your active participation in the freeing of the departing and disembodied lifestreams belonging to this Sweet Earth! Much has been accomplished by your selfless service to assist these dear ones, and in so doing you are strengthening the bonds of conscious cooperation with the Ascended Masters of Wisdom."
