

safe convoy into the universe around him with the same reverence, humility and respect accorded the Sacred Host on the Altar in many churches.

The mankind of Earth are in a constant state of communion and should be in a constant state of Grace, because every electron passing through them contains the Body, the Spirit and the Consciousness of the Father of all Life from whence It flowed and as these countless millions of electrons flow through the lifestream during the course of one day We see that a magic and mystical experience is constantly taking place wherein the spiritual essence of the Father is actually visited upon His children not alone at great Feast Days or at long intervals, but constantly.

In studying the lives of the great and holy men and women that have passed through the Earth sphere in their journey toward perfection, you will find a gentle humility and an inner joy characterize them all, because each one, reaching a certain point of spiritual evolution, began to regard the Gift of Life as a very Holy Trust and an exquisite experience and the Light flowing through them was no longer forced into false patterns by the personality but allowed its natural expression both within their own character and in the lives of those blessed by the Presence of the sanctified one.

Saint Germain has said that the natural activity of Life is Beauty, Opulence, Happiness and Perfection without limit and as soon as the personal self can disconnect itself in consciousness from the idea that Life can be taken lightly or thoughtlessly, then such an one comes to the threshold of a new experience wherein he is no longer the dominant figure but the Silent Witness

to the constant outpouring of the qualities, manifestations, miracles and beauty of Life will carry through him and into the Universe beyond.

When individuals come to a place where they will no longer seize Life at an unguarded moment and force it into an unhappy expression, they will then be entrusted with a greater outpouring of the Electronic Force from their own Presence, the Cosmic Beings, the Angelic Host and the Ascended Masters.

To energize an undisciplined lifestream beyond a certain point would merely be sending more of the Spirit of God into the keeping of a human authority which would transform this pure Essence again into imperfection. In order to release the Greater Powers that lie within your own Causal Bodies and in order to form a constant conscious connection with the Members of the Ascended Host, it is necessary to make the constant call for the purification of the personal self to a point where misqualification of energy can never again take place.

These lifestreams who have achieved the sense of humble, gentle submission to Divine Will are rare indeed, but they do become the outposts of Cosmic Powers, as the Maha Chohan said, of which the outer world has no concept.

There are millions of Ascended Masters Who have never come to the attention of the outer world and Who have as yet no conscious link with unascended beings. Those who would choose to unite their lifestream with these Perfected Ones will render Us the greatest service possible if they will make the calls to their own Holy Christ Selves to so equalize and temper their four lower

bodies that even under the greatest provocation or shock they would remain balanced, calm, poised and peaceful; then the Cosmic Law would allow these Cosmic Beings to give as much energy as they choose to enrich the Earth sphere.

You can see that without this self-control and mastery that were a Cosmic Being to choose a lifestream as a radiating center of His energy and a sudden surprise or shock or an appearance of any kind would allow the unascended being to requalify tons of that energy, in an instant it would do untold damages whereas if it had not been released by the Master, the lifestream in question would not have so much to qualify of his own natural allotment.

We are seeking selfless souls who love Harmony and are willing to sacrifice the defense of self for the maintenance of a harmonious set of vehicles through which Our Outpouring may continue to expand.

#### HOW TO INCREASE YOUR SERVICE

Analysis of an Instruction  
by Beloved AEolus

There are among the people of Earth individuals who have chosen to cultivate the friendship and association of certain Ascended or Perfected Beings, and by choosing to contemplate the lives of these Ascended Beings, of studying their words when such are available, by contemplating their pictures, or meditating upon their individual Focus of Intelligence, such human beings absorb the Life, the radiation and the Substance of the Master they are wise enough to contact through

the magic medium of their thought and their feeling.

You can cultivate the friendship of a Master with greater ease that you can build a human friendship between men because you are always connected with the Master through the medium of thought and feeling on an instant, whereas the human bodies, bound by time and space, must needs have personal contact in order to enjoy association one with the other.

#### The Beam of Your Attention

The Consciousness and Personal Presence of and Ascended Master, by Divine Law, immediately connects with any part of life which chooses to place its attention upon the God Focus and self-conscious Intelligence and Cosmic Outpouring of that Being. This is an irrefutable law. The majority of individuals do not know that their life and the beam of their attention is a magnetic current that cannot be denied by any other expression of the One Life.

#### The Purpose of Group Decreeing

The radiation from every man, woman and child in the Universe blends together and forms a whole.

There is no electronic light particle, candle flame or torch, or even a match that does not increase the sum total of light in the Universe.

When you take a group of people with a common purpose and join their heart-beats and the outpouring of their light waves, the conglomerate whole forms a much greater focus and its effects stretch over a wider expanse of the Earth's sur-

face than when one individual alone is dependent upon his personal pulsation and individual light wave. This is the purpose for group decreeing and group study.

#### Intensification of the Energy of the Godhead

The natural outpouring of the energy of the Godhead may be intensified without limit by any individual with the temerity of "force" a greater release of Light than that allotted for the human race at a given time.

Self-conscious beings have a God-given opportunity to learn how to draw energy, qualify it and send this energy forth in a harmonious manner.

Any unascended being inviting and invoking the Beings and Powers of Light may increase the heart-beat of the Elohim and man, and as the acceleration takes place, not only mankind but the Gods Themselves will grow in Glory and Splendor.

#### The God Flame in Your Heart

From the Heart of your I AM Presence there flows a steady stream of electrons into a tiny receptacle within the physical heart, as you well know, which is called the permanent atom. When the electrons enter this chamber a magic, mystic activity takes place and they become a pulsating Flame that breathes within Itself and pours forth a radiation which is the animating principle of the physical body.

This small Flame within the heart, when recognized, begins to expand (as it has done through the attention of the chelas). As this activity

takes place, it begins to pour forth shafts of Light through the upper part of your body in the same rhythmic order.

#### How Your Aura is Increased

In the case of Group Leaders, your Holy Christ Self and the Masters must increase your aura to encompass and enfold your entire group, just as if with wings of Light.

Your aura is increased in one manner only -- by pouring MORE pressure of Light into your heart -- and that Light sends forth a shaft of greater length into the world around you than it sent before.

The end of each one of these longer shafts becomes the out-post of your aura and your student body lives within that when they are with you, as well as when they are in their homes. Your aura is, therefore, fluidic and it stretches hither and yon, according to the particular activity of your student body.

This accelerates your evolution and also gives you a greater responsibility, because this invisible magnetic effluvia of your lifestream which, first of all, encompasses all your family, affects the lives of your entire student body and every lifestream between you and their personal presence. Remembering this you will be extra careful of the quality of your energy.

As your attention is on the Presence those shafts of Light increase and they form for you a protecting radiance or circle, deflecting the currents of energy in the world around you which are not of the same vibratory rate as the rhythmic perfection. This is the natural Mantle of

Light which is emanated from the human form, and which increases as the lifestream remains in humble devotion to the life principle within the Flame.

You can cultivate a conscious and constant, and listening attitude until that Flame becomes the directing Intelligence of your outer activity, and We can speak through that Flame to you.

#### Expansion of the Cosmic Heart-beat

The Holy Christ Self of mankind governs the heart-beat of the personal self in order to diminish as much as possible the destructive impulses emanating from the unawakened masses.

Expansion of this Cosmic Heart-beat is only allowed when the Universe will be benefitted by such contribution as the energy waves of that lifestream will choose to flood forth from time to time.

With the proper application, the Spark in the unawakened may become a Flame. You have heard it said that the Flame will fill the entire body as the individual becomes Master. This means that every release of energy from the Presence will have a one thousand or one hundred thousand more pressure as the individual advances Godward.

It would be a wonderful activity if you would daily ask for a greater outpouring of the cosmic currents through the hearts of the Angels and see what you can do to accelerate the evolution of Their Kingdom. If you will do this, you will see what They will do to accelerate yours.

#### The Shaft of Light From Your Heart

In your physical heart beats there is an invisible shaft of Light which goes forth from your heart into the atmosphere around you. These shafts of Light form the natural aura around the lifestream.

An individual who would allow the energy of the Master to flow along these shafts of Light into the consciousness of the lifestream whom He is surrounding might render service without limit in uplifting and raising them, and such radiation would draw forth from the other lifestreams similar shafts of Flame.

#### Directed Rays

The Ascended Master may, and does, direct consciously spiritual currents of force under His personal supervision and will for specific reasons.

These personally directed rays are more potent and powerful than the Universal Emanation of Light that fills the Cosmos, even as the Individual Flame from Helios' Heart can render greater service to one invoking It than the Sunlight which play unheeded on the bodies of the masses.

Here you have the key by which an individual may receive and be the beneficiary of much greater power than that which is the natural enfolding presence for the humanity of Earth.

When you invoke the personal assistance of An Ascended Being, you immediately draw those concentrated rays and your lifestream is greatly accelerated by their presence within you.

THE DEGREE OF MASTERY  
by Beloved El Morya

We, Whom the world calls "Masters," are but Those Who have received the Degree of Mastery from Life, even as the world confers decrees upon the man or woman on Earth who has completed successfully in a university a series of lessons, and passed with satisfactory grades the various examinations.

The courses laid out for those who desire to enroll in the School of Life, are as carefully laid out and as strictly taught as any University might offer. All pupils must pass through exactly the same series of experiences to receive the sheepskin at the end of their training.

It is regrettable that in a world where "Higher Education" has come to the foreground, that men of such education cannot realize that their science of learning is but a poor copy of the University of Life; and that the "Professors" Who have graduated from the University of Life should be the authority to Whom they turn for council and instruction. It will be so in the days that are to come.

Therefore, the Great Inner Council Who for many centuries of living, mapped the course of those who choose to enter into the stern curriculum of chelaship leading to Mastery, has now chosen to widen the list of eligibility and allow many who heretofore might have been rejected to start upon the elementary studies. Those who are already in the "classrooms" may be called upon to tutor the beginners. Let them always remember that instruction for such assistance will come from the "Professor" in charge!

Remember the statement of the Beloved Master Jesus: "Except ye become as a little child, ye shall not enter the Kingdom of Heaven." This means renouncing all the accretions of mental concepts; of inharmonious, suspicious and impure feelings, and the acceptance of the Father "I AM" as a real - a living Presence! The individual must become STILL and KNOW that "I AM" Presence. Then allow it to flow freely through the imperfectly qualified energies of the outer self. When one feels that Peace he is in the Kingdom of Heaven (Harmony). There is the "false Peace" of personal self-justification, and there is the REAL PEACE which not only fills the individual's world, but emanates from him as the Light flows from the Sun. The REAL PEACE need not be affirmed, claimed, nor boasted about because - in Itself - IT IS PROOF OF THE ALIGNMENT OF THE OUTER SELF WITH ITS SOURCE.

KUTHUMI

## MORYA - BELOVED FRIEND

The WILL OF GOD is GOOD!

Dear Morya embodies it all;  
His kindness - His Love  
Which He gives in abundance,  
We return to Him straight from our hearts.

Oh, Morya, dear Morya, we vow  
To serve Thee with all of our hearts;  
We acknowledge Thy Wisdom -  
God's Will which Thou art;  
From Thee never let us depart.

Dear Morya, right down through the years,  
Thou hast kindled the Flame in our hearts;  
And stirred us to want to  
Do God's Will - not our will;  
Oh, Morya dear, bless Thy sweet Heart.

HOW THE MASTER PREPARES YOU TO WORK  
WITH ANOTHER LIFESTREAM -----

by Beloved El Morya

Blessed ones, in the development of a positive radiation you must work for it. Everybody likes a comfortable religion; certainly that is why the Earth is in the condition it is. Everybody likes peace, everybody wants some other being to carry them out of distress. Now here you have the razor's edge! Do you think Lord Buddha was comfortable when He got up from the couch leaving His wife; when He walked out of the palace of His father and left His son? Do you think He was comfortable when He walked the dusty roads of India with a begging bowl and had to take from door to door those few scraps that were thrown to Him?

Have you ever tried to sit in the Buddha posture with nothing to sustain your spine but it's own light for seven years? Have you done it for an hour? Do you think He had comfort when there was not food, no disciples, when the fiends in the astral and psychic realm presented themselves, and every test of maya blew upon His soul, and He wondered in God's Name. "Why didn't I stay home" and "Why did I not teach My people from the authority of the ruler's seat?" Do you think He was comfortable when He entered into those various realms of Light and saw the perfection that was there and yet refused to stay, pushing onward that soul, onward and upward! upward! upward! .....until He stood in the Presence of Eternity?

Do you think there was a sense of comfort after achieving the ultimate, the Mount of attainment, the pinnacle of success, and then - to

RENOUNCE Nirvana and come back, back, back into a body that was very emaciated due to His long period of Samadhi; a body in which He had to again draw those vital forces and then walk the ways of men? What did He do? He disciplined Himself as every great Being Who loves mankind enough has disciplined Himself - but He asks no discipline of others!

There you have the Key! To those who are going to carry this Light the length and breadth of every land, the discipline of self and the giving of comfort to others! When Lord Buddha's Light shown, when people touched the hem of His garment, when they felt the sweet essence of His Presence ( and I know for I was there) the heart rushed forth and said, 'Oh, Lord, what may we do to become as Thou art? Then came the eight great steps, then came the teaching to those who asked, and they asked because He had the fullness of ecstasy and bliss - but HE HAD EARNED - earned it through a discipline that mankind does not see for many an age.

Think you not that Moses went through discipline? Think of that Man, a Man Who was timid in himself, and yet was called of the Lord to take a great people across the trackless wastes and through a burning desert and across a sea over which there was no bridge, no pontoon, no possible pathway but faith! And He answered that call! He walked with men and women who spat upon Him when they felt the burning heat of the desert and when they knew no water, and when they saw the surging tides of the sea, behind them the great might of the Egyptian army - and curses descended upon Him. Yet He knew if He were to become discouraged at that moment, or resentful, all would be lost! There He stood

with the sea before Him, the Egyptian army behind Him and a reluctant people that He was endeavoring to save surging around Him, thousands of them! In the discipline of God, holding His attention on the Presence, He carried them across that sea on the beam of His own Faith and through the desert. Then in the short span when He mounted Sinai and left them for a moment, back they went to the idols and the flesh pots of the Earth!

There was discipline in that lifestream; there is discipline of the self in any great leader. Think you there was not discipline of the life of the Holy Mother of Jesus! Seldom has a woman experienced the disciplines of that lifestream. Taken from Her home before the birth of Her child; bringing Him forth in a strange country; awakened when She felt all was not safe and secure and caused to cross the desert with that infant Child -- hoping, hoping always that this Light this vision of the Messiah, those Angel voices and those glorious Beings were real! Taking that infant to the doors of Luxor, letting go that hand, remaining on the outskirts in prayer until He returned. Was it not a discipline to stand on Golgatha's hillside beneath a bleeding cross and not for once in three hours to take Her attention from the very body that She had borne and the spirit of Her Son. Was it not a discipline on the part of that Son, in the height of His youth, prime and mastery to lay that body down!

Beloved ones, there is a discipline that is born of love in the heart, love for mankind at large that enables some to take upon themselves certain steps which develop the inner nature.

Then in example, in radiant light to become a magnet so that mankind will say: "What you are, I would be, what you have I would like, what you desire I would become". Then to those men and women who ASK, put a positive and encouraging presentation of the law. The "thou shalt not" stir the animal in man. Take the "THOU SHALT", thou shalt sublimate the passion of thy body to illumine the mind. Thou shalt rise above the desire of making thy body a sepulcher for the dead beast. Thou shalt take into thy body new life, new light through the natural herb and produce -- THOU SHALT -- pointing out the good and showing the pathway UP is the pathway of Light and not making of discipline a lash. I KNOW for I learned the hard way.

I was thinking about a trip to meet Lord Himalaya -- Kuthumi and I were laughing about it as We remembered back many centuries ago. I had been a warrior and a soldier for many ages, and I must admit I had tremendous spiritual pride in my capacity to follow through ----- through at all cost to God, man, anything that was in My path. Finally in the travelling of our souls through embodiment after embodiment, We came to a point where Our Lord Maha Chohan began to look upon Us as a possible TEAM, and I think He had the founding of the Theosophical movement in mind.

One day He called Us before Him and said: "Brothers, I have a little excursion for you, just a period of relaxation for you have worked so hard on your own individual discipline that I am going to send you on a beautiful trip to find the Retreat of Lord Himalaya together". Oh! We were so happy - you know like children obeying!

We started out in Kashmir, in the Vales of Kashmir where the sea is blue. Ah, children that country is magnificent! The green slopes running down to the water, the most magnificent bird songs, the Kashmir weavers. It is a beautiful land, the land of peace, the land that belonged to My Kuthumi. We sat and talked together and planned Our little trip. We thought We had better get started early because of the heavy snows in the mountains. He said; "You be in charge of the sleeping gear and the path, and I will be in charge of the food and the Prayer." We thought that would be just fine, I will never forget the morning that We left - to Us it was an outing, an excursion. We had no path, you know, no one told Us WHERE this Retreat would be - except the compass of our hearts- but - we had the mission given to Us by Our Lord Maha Chohan!

The very first day We started out, I was well in the lead, bold and happy, heading for the first passes. I looked back and no Kuthumi! I sat down for a little while and practiced a meditation that I had because I was to be the compass of this trip. No Kuthumi - the day was pretty nearly spent. Finally I walked back down the path, and I went with not the most patience in the world. There He was sitting looking at a flower. I said: "Where have you been?" "Look" - He said: "Look, I want you to see the process of this flower as it is closing. I watched as it opened under the light of the Sun and there is a drop of dew in the center of it." I didn't say a thing! And I didn't look at the flower either! Then I said: "When do We eat!" He was so sweet, you never knew anybody so sweet - never was there in all our centuries together any impatience in that boy. I love Him -- LOVE HIM AS MY LIFE! I tell you this story merely to

show you how life prepares you when you are going to serve in a harness with another lifestream.

Finally, I think we had some food and slept under the stars. I admit I didn't bother with any sleeping gear. I thought if He can look at a flower all day. He can sleep on his back and look at the sky! The last thing I saw as I went to sleep was the face of the Maha Chohan. I said to Him: "Excursion! Hah! This is play time!" And I began to realize that this was no ordinary vacation. Just a ghost of a smile came in His eyes and His face faded out and I fell asleep.

Next morning, Kuthumi was up before Me. We were going to be all set that day! But that is the way We proceeded, dear hearts, every bird that sang, every fern that grew, every rock had something under it. Then if there was nothing on the path, He would be hearing the Music of the Spheres. Sometimes We seemed to be going BACKWARDS instead of forward, and every night as I retired, the Face of the Maha Chohan!

Then We got into the high country, most of you are not familiar with the paths of Tibet. In this high country one must be very alert for the paths are narrow and the ravines are steep, I would be talking with Him perfectly at peace -- He would be gone in the snow! No trace of Him at all. I would go back and dig Him out of some drifts. And do you know He was never hurt, He never fell off -- He just disappeared. We finally went to a cave and I said: "Look, We will never find Himalaya unless You buckle down", and He smiled -- and He smiled -- He had that beautiful smile and that exquisite golden hair - a most magnificent Being, He said: "We will find Him." And We did, We found Him - yes - BUT I COULDN'T

HEAR A WORD HE SAID, -- Kuthumi remembered everything that happened. I couldn't hear a thing - I think I didn't even remember the outline of His body.

All the way down that path and back to the Maha Chohan's Retreat I pondered deeply. When We got home, the beloved Maha Chohan was smiling. He said: "You are both wiser men." As We were! He said "I have a great work for you in the future - together!; I said: "No! No!" He said: "Of course think it over". "It is voluntary but you would be such a marvelous complement one to the other". And I did think it over for five hundred years!

All these experiences, dear hearts, are not lightly passed. I remember the day I returned to the Maha Chohan's Presence and I said: "I have thought it over. I shall consider it an honor, an opportunity to render what service You great Master think right".

And so We worked and served together and DO SO STILL. Yet even now He enjoys the Music of the Spheres and the song of the bird. Even now the fate of nations and the discipline of the chelas is not appealing to Him. We found Our place and He has found I hope, in Me a Friend and I have found in Him more than a Brother - I found in Him the sweetness, the sweetness of the Holy Spirit that I needed so much My self.

So it is with you, beloved ones, life's experiences may seem trying, but one day you will stand before Our Lord Maha Chohan one day you will thank Him for whatever excursion you are presently upon. PERSEVERE UNTO THE END, and in that perseverance you will have victory and

great opportunity. Little did I know as I struggled through that deep snow of that which lay ahead in the shimmering folds of akasha as a possibility if I did not throw them over the cliff enroute. I thank God and the powers of Light that I was able to persevere.

Now, much as the Maha Chohan wanted Us to reach the Retreat of Himalaya and receive His instruction, Himalaya did not take one step out of that Retreat to meet us. Even when We climbed on the face of that glacier and I'm telling you it was completely smooth, He waited until we reached the APEX OF HIS CONSCIOUSNESS and then we were given the benefit of His radiation. I, unfortunately, did not receive it, but at least I made the effort and built something of endurance into Myself.

You can carry your group through projected consciousness to the various points on the Earth where assistance is needed. When you hear over the Radio or from your newspaper of such a requirement, have certain members of your group ready to respond at a moment's notice and through projected consciousness render the service. There is opportunity every day and the opportunities are going to become greater, if you have some selected trained people who can be called if necessary at a given moment, and then through projected consciousness enter any specific theater of world crisis. It is a marvelous thing to have a trained group that knows how to release energy and are willing to give of themselves at a moment's notice, ready to project their consciousness to any point on the Earth's surface where distress may be. Get yourselves an atlas and a knowledge of geography and learn where these points on the Earth's surface are ahead of time.

Some spirits do not like restrictions and I am One of them. How I ever got God-free, only through the mercy of Kwan Yin and the kindness of God Himself! So I feel for you who have rebellious spirits, you do not like change, I can feel for you. I walked that way. I had to learn the Law of Love and balance and submission until one day -- mind -- I received the honor of becoming the Representative of the Will of God -- the greatest SURRENDER in the world, you know -- the great surrender; for I was I think, the greatest trial to the Beloved Maha Chohan and the Host of Heaven. Because of that, I want to make it right THROUGH YOU and to the Earth and to the King of all Kings!

Lovely friends, when your path is hard, when your associations are trying, remember ME and know that I tell you in truth that EVERY EXPERIENCE BRINGS GOLD TO THE SOUL WHO IS WISE! And remember, always by your side I stand, reminding you that you have said you are My Friend of Light, and My Cause becomes and EFFECT through you! For your friendship, your cooperation, your loving selves I thank you. When I return to the Maha Chohan I can tell Him I did not frighten you unduly but that We had a happy time together, for that is the harvest I am always told to bring home.

HOW YOU CAN EXTERNALIZE YOUR GOD  
 PRESENCE -----

by Beloved Paul, The Maha Chohan

Dear brothers and sisters, you have come from the heart of God, have chosen to give of your life and light to bring comfort to mankind, to you today on behalf of the great Master Whom I serve, I bring the comfort of His Own great feeling world. Will you tie the energies of your feeling world into the great aura of the Beloved Cosmic Holy Spirit this day. Will you feel that radiation and that pulsation which is the true, complete divine nature of God, anchoring into the energies of your feeling and then through you passing outward to give comfort to all the life that you contact -- in the elemental Kingdom, your fellow students, the mighty Devic Kingdom and then mankind at large?

May I say that in the enjoyment of being a conductor of the Cosmic Qualities of the Holy Spirit or any other God Free Being, you in yourself find a tremendous acceleration in the energies of your individual world and in the completion of your divine pattern and plan. So that you may while you remain among the peoples of Earth be no part of their pain, discomfort and disease, but be a contributing factor to conducting and radiating the gifts and powers and qualities of the Kingdom of Heaven; that you may be about your Father's business; that you may have reason for being; and that you may at any moment be utilized by a Master of the God free realms, Who seeing a crisis or an opportunity to render assistance to a group of mankind may use the energies of your controlled feeling world as His own, and flashing the flame of protection, of balance, of sanity, security, of

healing through it, handle conditions that otherwise on the screen of life might act in a very discordant and unhappy manner.

When the Beloved Gabriel spoke to you about living in a state of perpetual Listening Grace, He was prompting you to learn through the contemplation of your Heart Flame, how to govern the vibratory action, particularly of that sea of energy which is your feeling world, and which forms for the Ascended Masters a Magnificent Conductor into the energies of people who are disturbed, confused, fearful, frightened or in distress of any kind.

Every being who has risen above the masses and who has been of benefit to the Spiritual Hierarchy has been such a conductor; has in personal application learned to be the master of the vibrations that move through the feeling world and has learned to not allow either the thought or the etheric murmurings from within himself, or the pressures of the foolishness of mankind, to become master of his feelings even for a moment, for whatever intelligence or whatever energy changes the quality of your feeling world and is not in accord with the will and direction of the governing intelligence of yourself, is for the moment the master of you.

If you relinquish the control, the mastery and the governing power over energies which you drew forth from the heart of God, before the Karmic Board and life will be called upon to render an accounting, and which if impressed discordantly through the energies you have accepted from within or without which will be something which must be transmuted, something which is added to the shadows of the planet,

and something which for the moment makes you no longer a part of that great sea of harmony which is the combined consciousness of the Great White Brotherhood.

May I speak to you for a moment about That Consciousness? The Great White Brotherhood of Whom the Lord Gautama is the absolute authority for this Earth, is composed of God Free Beings, Devas, Angels and all the majestic Beings at inner levels, Who when They attained the Ascension, or in voluntary relinquishment of God Freedom on other planets, stood before the Karmic Board and offered to remain Gods in exile and to serve the mankind of Earth until every consciousness was again awakened to Truth, every man and woman restored to their God Estate, princes or princesses in the house of the celestial King of Kings.

Each Being Who belongs to the great August and inner Body contributes the full gathered cosmic momentum of His Own Causal Body to that consciousness. Every prayer, every aspiration, every bit of energy which has earned the right to rise and become part of the Causal Body is the momentum of the individual which He signs over, you might say, to the Great White Brotherhood, which becomes the combined and cooperative property of the entire Brotherhood, on which any single member may draw when need arises.

All the Beings in this Ascended Master Court of the Brotherhood share the vibratory action of the thought, the feeling and the general radiation of every other Member. They are all part of a Celestial Body. Unascended beings who apply for Membership and who are accepted, also at that time contribute the energies of their

Causal Bodies, adding the strength of their light and momentum. The Masters are Free, or any one who has made a vow, to utilize the energies of the individual lifestream as their own whensoever occasion arises that there is a need in a certain locality are conductors for the Ascended Masters' energy. They direct the beam of Their energies towards the chela or representative of that Brotherhood who is in that locality.

If the energies of the mental body are calm, receptive and listening, if the energies of the emotional body are at peace and radiating good will and harmony, the Master then channels all of the combined powers of the Brotherhood or as much as are required for the assistance through the emotional world, the physical body and the aura of the individual chela and blankets the locality in that blessing, balance, harmony, peace, or healing, whatever the case may be.

If, however, when the great Silent Watcher of the continent, the great Silent Watcher of the city, or the Silent Watchers of the local units seeing some great need, then that call, that S.O.S. to the heart of the Brotherhood for help, and the Brotherhood looks down upon that location and seeking a chela, find the chela's energies in a state of violent emotions, disturbed and distressed, that individual is temporarily cut off from the consciousness of the Brotherhood and the conductor through the world of form is not there.

Do you see then, the responsibility which is yours who profess to be focuses of the Great White Brotherhood, who love your fellowman. You who are limited see only a few of the requirements

of any hour, but yet walking the ways of Earth are guided and guarded carefully by Cosmic Beings Who hope in time of emergency through your energies, assistance and protection and balance may be given.

May I remind you in all kindness, that it is in times of comparative peace that momentums of balance, of harmony, kindness must be builded ....momentums of energy which can be utilized in times of stress. It is too late when continents shake and seas rise, when plagues walk the Earth; it is too late when the fear of the masses, the hysteria of the untrained set into motion the Elemental Kingdom and those great riptides, the like of which you do not remember, begin to play through the atmosphere. Then it is too late to build those momentums. But now in the hearts of these majestic mountains where the strength and radiation of the Devas, the glorious example of the Sun with Its even pressure, the clarity and purification of the air, the beauty of the grasses and the flowers are all reminders to those of you who get still enough, of the Natural beauty of your being, now is the time to build for those days.

You will remember how when the plague walked through England and the Beloved Leto endeavoring to give the assistance found Herself seemingly limited in Her ministration, how the great Divine Director told Her She did not fulfill the activity which it was possible for Her lifestream to render. And then how, holding the energies of Her feeling world in absolute peace, She connected with the cosmic currents of the healing light. ...drew, them forth and stopped that activity, relieved and released those people from that fear and restored that nation and the remaining

members of its humanity to health. These things have been.

There is coming a time when men and women who have passed the test of humility and whose lips will not divulge the blessing that flows through their aura, when they will be able to carry those healing currents and people touching the hem of their garments find relief and release and never know from whom the blessing flowed, from whom that virtue passed. There are the few, the very few, willing to relinquish "name" and place of service. Through these, beloved Mary, Beloved Jesus, Beloved Leto, Beloved Nada and Kwan Yin, and Others will manifest that activity.

Bless your hearts, earnest and sincere indeed. May you come to a place where your loyalty to God is so great that there is nothing that would cause your energies to be qualified in a manner less than that which He Himself would desire, when your spiritual honesty and integrity is such, that every electron that passes into your beating heart is consecrated to Him, and you will not think of using It in word or action, except to widen the borders of His Kingdom.

Come with Me for just a moment away from the cares of the outer self. Just enter with Me into that chamber within your own heart, the Secret Place of the Most High! Standing there contemplating the Immortal Threefold Flame which is the garment of your own beautiful Christ Self, just relax in the love of the Presence of God. As your adoration flows to that Presence, remember your body is the Temple within which is the Immortal Flame of eternal life, within which, seated upon His Golden Throne is the tiny Christ Self made in the Image and Likeness of the Eternal God,

waiting your adoration, your love, your devotion, the energies of your world through which He may grow and expand until your entire body is filled with that Presence, and the Master Christ bursting through the flesh stands revealed, the Divine Pattern of your individual identity.

The Adoration Flame increases every good thing to which you direct it. Why think you the Immortal Three-fold Flame within the heart has receded until it is, in the unawakened, about one-sixteenth of an inch in height? Why think you the shadows and creations of the world have increased until the entities around the human bodies are larger than the flesh form! Because the attention, has not poured to God, but has energized appearances. It is the Law, that which your attention is upon, lives on your life. That which you energize in the secret silent time, through thought, through feeling, through spoken word, through action, that is what grows and manifests and all who run may read!

Why has the race come to a point where even that tiny flickering Spark would not have been sustained if it were not for the God-free Beings Who have breathed upon it? Because through free-will every man and woman is allowed to energize that which he desires! And that lives and grows for him and is either a garden of paradise or a purgatory. That which is in your world, my children, is living on your life!

Will you please now give your Life to this Presence? Will you please now nourish It by adoration and devotion, contemplation of Its living, breathing Presence, reverence for It, respect for Its wishes. Desire to utilize the life which It draws and magnetizes to serve Its

purpose in the world of form. What think you keeps the cord, anchored in you? What think you gives you a beating heart? The magnetic Love of the Christ Self, Who keeps the adoration upon the Electronic Presence drawing the electronic light, drawing pure life, giving you, each day primal essence unused - and opportunities to make things right.

What have you done with Life, so freely given to you from the hands of this Great One enthroned within your heart, and pressed it into the pleasures of your day? Ah, come Home, and worship before the altar of your Divinity; press your weary heads against the bosom of the Christ, not in some far distant heaven, not shining in some star. How good, how beautiful is God -- that so CLOSE has He placed Himself, that in your heartbeat, is that Presence, saying to the very few who even bow before It, to the very few whom even ask It for assistance, "My beloved, ALL this you ask I can be, all this and more"! When your adoration, beloved ones, not only in group worship but when your personal adoration becomes the constant activity of your inner most self, this Being will grow, will expand. You will not need words to proclaim it. The Light, expanding from that ever-increasing Presence, will respond to your life poured into It and will stand as a radiant and blazing aura about you -- that all who run may read!

Oh, Beloved Infinite Presence of God within these hearts, shining within Thy blazing Tabernacle, within the Holy of Holies, I greet you on behalf of the Great Ascended Brotherhood, and I ask that through these human forms now in dignity, beauty and mastery You shall come forth and manifest the perfection which You have designed for them, each one!

And so wrapped in the arms of Love, enfolded in the Presence of the Holy Comforter, not only when you desire to love your God, but when times of bitterness, times of loneliness, times of bereavement are upon you, call to Me! Let Me come and give you My Comfort Flame. Let Me give you My hand in friendship. Let Me give you the substance of My world. Long since has It been given to the Hierarchy and it is now for use for My fellowman. You are My Brothers and My Sisters who have not yet found the full ecstasy which comes when you know this Presence within. Until that day "I AM" your Paul, and your Servant.

THE SANCTITY OF THE HOME  
by Beloved Kwan Yin

"I AM" come on the Wings of Love in answer to your hearts' call for My Presence with you, I, Kwan Yin, bring you My Momentum of the Cosmic Flame of Mercy and Compassion from which you may drink deeply of Its glorious Essence.

A Focus of this Flame pulsates in your Glorious Christ Self and looking at your auras, "I AM" so grateful to observe that the feeling through your acceptance of Its beneficent blessing. I have come to further intensify this activity in your feeling worlds so that you may use it whenever or wherever required for your family, friends, and all life.

"I AM" known to many as the Goddess of the Household - of family life. It is so imperative that the peoples of this Earth return to the sanctity of true family life - that for which

they come into embodiment upon this Planet, not only for the evolution of their own individualities, but for the assistance which they vowed to give when they appeared before the Lords of Karma seeking an opportunity to re-embodiment, and in the majority of instances, to become the channels through which they could offer physical embodiment to others.

You have all heard of, or experienced, the feeling of warmth and comfort associated with the hearth or fireplace in a home. The true purpose of this focus does not relate to the so-called physical fire, but to the Love which is given forth by a Spiritual Focus of the Sacred Fire. As We have stated, true home life must again come into being upon the Earth, and the time will present itself quickly so that every individual in embodiment will know the Ritual of the Sacred Fire and the sacredness which should accompany the natural activities of birth and transition.

Most of you know that, in China in ages past, I had the sacred responsibility of traveling with the Ladies of My Court to the homes in the vicinity of My Temple and bringing, at the time of those visitations, the Blessing of the Sacred Fire of Mercy and Compassion -- leaving in the homes an Ember of that Flame for the family to nourish. This provided a visible means by which each one could focus the attention upon that Sacred Fire and become imbued with the understanding and application of the Creative Force which is present in all life.

In recent years, one has noticed again many expressions of Oriental Art in the decor of the home. The Members of the Brotherhood at Peking

are responsible for this tendency for We Who are specifically associated with the East can use the Foci of Oriental objects to impregnate the consciousness and feeling worlds of the Occidentals with the Flame of Mercy and Compassion. Every individual who has some form of Oriental Art in their home provides a Focus through which We may anchor Our Flame and Rays, and when the individuals in this environment contemplate the beauty and simplicity of Oriental styling, We are often able to reach the consciousness and blend Our feelings within their beings. In so doing, We anchor a part of the Sacred Flame into their worlds for a continued blessing.

From the thoughts of Beauty, because of the requirement of the hour, I find it necessary to call your attention to the grievous condition expressing as lewdness as opposed to chastity among the young women all over the world. This is not peculiar to any one country, for it is prevalent all over the Earth. Why is young and beautiful maturing womanhood going down into such degradation? In the majority of instances, it stems from the lack of true family life - a rebellion against what they see expressing in the lives of those with whom they live, I do not infer that this is the rule, as there are many exceptions. Generally speaking, the young impressionable consciousness is rebelling against the general picture, or pattern, which their elders are presenting to them, and when I say their elders, I do not necessarily mean their parents but to the over-all way of today's accepted code of behavior.

Why, oh why do parents offer themselves at Inner Levels to bring in those blessed life-

streams and then, when the children appear upon the Screen of Life, shirk their responsibilities to guide and mould and guard those children until maturity? One of the reasons is that a new way of life is coming to this Earth and all the effluvia of the parents and everyone else is coming to the fore for transmutation.

Something must be done! Something shall be done to help! I, Kwan Yin, so decree it! Now, for your part in this service, I appeal to all of you to turn your attention to the activities of the Sacred Fire of Transmutation and Purification and decree or pray to every Being Who has a momentum along these Rays to go into dynamic action to remove the causes and cores of imperfection which are coming to the foreground, and to replace these with the activities of the Holy Christ Self of every individual in embodiment at this time.

Due to the gravity of the situation in the debauchery now expressing, I have brought this to your attention. Do not dwell upon the present conditions but make the calls to Us and visualize every home on the Planet as a place of Light -- with the blessed Spirits of the Home in shining garments - having thrown off the imposed effluvia from their shoulders.

Chelas of Light, I shall answer your every Call! May I come as a Guest in your auras to assist you in this hour of great consequence to the Earth's evolution?

## INTRUSION ON ANOTHER'S FREE WILL

by Beloved Saint Germain

Beloved Friends of old, and friends forever - I greet you today, in Love, Faith and Hope .... hope for the externalization of the New Age of Freedom, in the near future, through your cooperative efforts with the Spiritual Hierarchy Who are expending every effort permitted by Cosmic Law to comply with the Divine Edict which does state - THE AGE OF FREEDOM IS AT HAND!

We require every dedicated chela to wholeheartedly cooperate in the externalizing a specific part of the Divine Plan. If all the chelas in all locations of the Planet feel they must do thus and so because it appeals to their vibratory action and they must serve with this lifestream or that one because it is their personal joy to do so, the energy which they use in following the dictates of their own consciousness will have to be made good by some other lifestream who may be taxed to what seems their outer capacity or by one of the Ascended Host Who has sponsored that particular lifestream at inner levels.

Now, a man who is planting his garden has an idea which he would like to see manifest for the enhancement of his own personal property and proceeds to take the necessary measures to carry this plan to completion. Just what would happen if someone in passing this gentleman's property thought the bushes or shrubs would look better if differently arranged, and decided to make so bold a move as to inform the owner of his ideas!

Well, if the owner of the garden was a gentleman of even temper he might thank the passerby and set to thinking whether the 'intruder' was correct. BUT, in so doing the passerby has planted a seed of doubt and the owner thinking about the suggestion might change his plans and the externalization of his original idea would be dissipated and not manifest in its entirety.

There is a parallel in Spiritual Service --- when a chela chooses of his own free will to offer his or her services to the Cause of Freedom in the avenue which is compatible to his own vibratory action - beloved ones, please do not interfere with the individual's free will. If he comes to you for advice that is a different matter but do not intrude your ideas as to what he should do. If he is not in the line of endeavor for which he volunteered at Inner Levels, he will either find out for himself and be willing to make the change to the avowed service - or if he does not, he then is responsible to the Cosmic Law for deviating from his true service and will have to make good here on the Earth or at some other assigned destination.

The Cosmic Law is one of balance, and each lifestream is required by that Law to make things right! It is the Law that decides whether an individual lifestream is fulfilling his plan, and that is not the prerogative of another ascended lifestream. Give assistance, yes, when invited to do so, but do not venture to unduly influence another lifestream.

Let's exercise wisdom in dealing with our fellow travelers on The Path - one of the greater parts of wisdom is to be AN EXAMPLE OF THE LAW, then the chela does not have to influence another by

worded pressure, but through his being the out-picturing of perfection and the Godly way of Life, other lifestreams will feel the magnet of loving perfection and request assistance in becoming a similar exponent of the Spiritual Law.

The sum and substance of this little talk is that it is wise to assist another lifestream when you are in a position to do so and give him whatever help requested, but not to inflict any ideas on him which might be stemming from your own outer desires for that individual. CLEAN UP YOUR OWN VEHICLES, by the use of the Violet Transmuting Flame! Invoke that Flame of Purification for your fellowman without telling him what you are doing. That is a form of serving in the Silence, assisting all life into Spiritual Freedom, without engaging in personal contact regarding the service which you are rendering. It is a truly dedicated lifestream who does not seek personal credit by saying "I did thus and so for that lifestream!"

Oh my dear and so loved friends, if We of the Spiritual Hierarchy were always taking credit for what We did for the evolutions of this Earth, and elsewhere, there would be no time remaining for assigned and volunteered service. That is not the way of God -- We must all love all life everywhere, and when the chela realizes the oneness of all life and allows the Christ Self to be the Directing Intelligence of his allotted energy, we will be proceeding into the Unity of all life. That Unity does not mean uniformity of all action, but a realization of the MOTIVATING POWER behind all action, and the balanced performance of individuals on ALL SEVEN RAYS. But, before this can be accomplished there is much, much debris to be cleaned up in the vehicles

of the chelas as well as the individuals who have not been sufficiently illumined in the outer consciousness to follow the Teachings of the New Age.

We of the Spiritual Hierarchy are serving diligently at Inner Levels with the lifestreams when they are out of the body during sleep, or through transition, to train them in an endeavor to assist them to bring back the memory of this training when they are in embodiment. When a conscious recollection of the Godly way of life as explained to them at Inner Levels is carried into their waking consciousness, great advancement will have been made and no persuasion will be required to have them accept the Spiritual Law.

We require your cooperation in this endeavor by your constant Calls for their Divine Illumination and your own, but the receptivity of the fulness of the Teaching of the New Age must be preceded by PURIFICATION!

Would that you all loved the Violet Fire as do the Ascended Host of Light, and put that mighty process of transmutation into action -- not just now and again, but daily, hourly, if possible.

Blessed and dear ones of My Heart, it is because I love you that I come to you in friendship to invite, and invoke, you to impregnate your feelings with the KNOWING that this is the NEW AND PERMANENT AGE OF FREEDOM, and before it can manifest in Its Full Perfection and Glory, transmutation of imperfection, everywhere, must take place. Can I depend on you My friends of old, to be friends FOREVER?

## THE JOY OF SERVICE

by Beloved Lord Gautama

Oh, Thou Omnipotent Supreme Source of All Life, I send My obeisant love to Thee whose gracious goodness has bestowed upon Me the Gift of Life! To that Life which flows through these children, chelas of the Ascended Host of Light, I do humbly bow.

Beloved Ones, cells in the Body of The Father, I, Gautama, come this day to bring you My Love and the momentum of the enlightenment which is Mine, attained through constant, dedicated purpose to becoming consciously ONE with the Father, and in so doing, with all life.

Blessed ones, once you are aware, in consciousness and feeling, of the unity of all, that there is no separation in the Universe, except through the wall or barrier of your own making, in that developed and sustained consciousness you shall experience the ecstasy which We of the Ascended Host of Light enjoy. In using the word 'enjoy' I wish to convey that which is a true possession of the Enlightened Ones, a knowing feeling with which one is endowed, when such an one lays his life upon the Altar of Dedicated Service. Oh, the privilege of serving, for in that blessing which flows from one's being, is that one expanding the Light which they have drawn forth through illumined obedience.

This feeling is not something which is the product of human, restrained will, but the exaltation of being which is truly the most prized

possession which all should seek to obtain, and upon obtaining, nurture and BE that blessing to all life, in every thought, word, deed or action. Once accomplished, oh children of Light, you shall know the privilege of which I speak.

Oh, the mystic Month of May, when there are abundant manifestations to stimulate the consciousness of the chela through the attainment which their Brothers on the Path have experienced, and in that attainment have added to the momentum of Those Who have preceded Them. We, Who have worn bodies of flesh and experienced the trials and tribulations which attend the unascended ones, having preceded you, offer Our Love and the Gifts of Our Causal Bodies to you who but ask for Our assistance. You are in an unprecedented Era, when, through the Grace of the Cosmic Law, are offered more than ordinary assistance in developing the Qualities of your own lifestreams, to lend the virtue of your beings to the forward push of the Solar System.

Blessed and beloved children of The Father, We have come these many years and have talked and talked about the Cosmic Scheme in which the Planets must move in their destined orbits. Ponder that which I say, for though We love you, as We do all life, there are limitations placed upon the extent of the help which We are permitted, by the Merciful Law, to give you. By this time the chelas should have reached the point where they should let go of the imperfect treasures, so-to-speak, which they have cradled in their bosoms and the reluctance of parting therewith. I do not imply this to be the rule in all cases, for many, many are the willing chelas who actually KNOW what it is to experience the glorious inner life which is theirs, having parted

company with most of their imperfection.

To those beloved ones who are yet experiencing the recoil of the imperfect causes which they have set up through centuries of living in outer or worldly ways in their pursuit of so-called happiness, I can but say the Sacred Fire of Mercy and Compassion in your Heart just awaits your constant invocation and use to free you of all that is not of The Christ. When once you know that the Sacred Fire, the Violet Flame, can free you of all the imperfect energies which you have harvested, but not discarded, through all your incarnations, you will experience the joy of which I speak, because when you become centered in this Purifying Fire all the energy is sanctified and purified and returns to your own Cosmic Storehouse, your Causal Body, for the enrichment of all life, in and out of embodiment. Truly, the Law of the Circle is merciful when once understood, for there is no permanence in imperfection, all energy must and does return to the original state whence it proceeded from The Father, the consummate masterwork of the All-Pervading One!

Center yourselves in the Sacred Chamber of the Immortal Victorious Three-fold Flame of the Christ within, and through the privileged use of the Violet Transmuting Flame set your own house in order, and in so doing, you must first FORGIVE ALL LIFE! How many have done this? Wise is the chela who recognizes this admonition, and proceeds to follow it through! In this becoming God-in-action in all you do, shall you experience the joys of serving in the Kingdom of The Gods!

I enfold you in the knowing Love of Beloved Lord Jesus, Whose Ascension you honor, and in the Momentum of My Own Enlightenment, and shall joyously await the exaltation of spirit which is soon to be yours, in obedience.

KUTHUMI says:

"As you are about your Father's Business, tell no man. Thus you will avoid the rebellions of the outer selves of others which is a vibratory action of darkness and which would defeat your purpose. Every chela can perform those acts, speak those words, radiate those feelings in his own world which make the individuals around him happier and more harmonious. Wise is the chela who renders this service unostentatiously and thus becomes the Cosmic "torch" that kindles the sparks in his fellowmen without acknowledgement and acclaim."

HOW TO EXPAND YOUR LIGHT AND  
THE LIGHT OF THE WORLD .....

by Beloved Sanat Kumara

My beloved children, today I bring to you the fullness of My love; that love which has cradled the Flame within your heart for millions and millions of years; that love which has breathed into the Immortal Spark within your heart, sustaining your individual identity ever since I was privileged to enter into Shamballa and become for you "The Light of the World"!

Beloved ones, long has been your journey and long has been My exile! Now We see the culmination of both victory through love -- your resuming your rightful estate as beautiful Gods and Goddesses, Master Presence of Light, and I to return to that Home I love so well -- to My beloved Venus; to My people; to the Sun of My System --- all because you have chosen to free Me of this --- My Exile! You hold My ransom within your blessed hearts! You have brought willingly the Flaming Presence of your own Divinity which abides within the Chalice of your own heart and have offered It upon the Altar of Life, that I might be free! To you, I give My gratitude, My gratitude, My gratitude, beloved blessed spirits! You are those who came to Earth with such fire and such promise! You are those who entered the atmosphere of this Earth on a vow of love to be the protectors of Its innocent people; to be "The Light of the World" until they themselves could evolve It. You, too, lost your way! You, too, became enmeshed in the shadows! Now you have heard and answered the call of love and you are walking in the Light, radiating the Light and contributing to the beautiful aura which is the Light of this world.

## The Rhythm of Life

Now, I want you to feel the rhythm of the Immortal Three-fold Flame of Life which is within your heart, WITHIN THAT RHYTHM, beloved children, is every power of the Sacred Fire! Within that rhythm also is your freedom and your mastery! In the resting of your outer consciousness within the rhythm of that Immortal Flame, you shall become Lords of the Flame yourselves. Masters of the powers of cohesion and expansion; Masters of the activities of centripetal and centrifugal force; Masters of the powers of precipitation and etherealization --- for that is the nature of the rhythm of the Flame within your heart. As that Flame draws primal life into Itself, coalescence takes place -- substance, obedient to that Flame, becomes manifest as the precipitated form you desire.

As that which you have drawn from the Universal comes into the compass of your sphere of influence in the expansion of your love and light as you use it to bless life, you complete the rhythm of precipitation and then the expansion of your precipitated gift enriches the Universe. As you draw the instruction of the Master; the words of love and light; the knowledge by which you may set yourself free; you use the power of cohesion and draw the Masters' Presence by love through the power of the Flame. Then, as you utilize the knowledge received; as you work into the activities of your sphere of influence the blessings of that knowledge through the expansion of the works of the Father and instruction of the Masters, you complete the rhythm of your being, expanding your own light and the light of the world.

Beloved ones, giving and receiving constitute the rhythm of being! This is freedom! The lifestream who draws knowledge into itself and coalesces it by the power of magnetization, but who refuses to expand that knowledge to release and to free others --- that individual immediately imprisons life. The lifestream who draws from the Universal substance and energy, accumulating much of this world's goods for himself but who refuses to give and thus expand the substance for the glory of God and the blessing of his fellowman, will also experience contraction and tension, not knowing the full freedom of the rhythm of being!

For example: the individual who draws the breath of life and does not release that breath again in an outflow of energy, will soon cease to exist in this physical appearance world.

Everything in the Universal which is Immortal, exists on rhythm! I want you to feel that rhythm which is within the Flame of your life. The drawing from any place in the Universe of any God Intelligence Who can help you in your individual service or in your desire to overcome the limitations of this world, is within the magnetizing power of your Flame! As you draw from Those Beings that intelligence, that blessing, that "sweet anointing from above", it enters into your consciousness and world. However, REMEMBER THE EXPANSION which is the other half of the rhythm of that Flame and utilize it well!

Wise is the man who realizes the rhythm of life! We Who stand within the heart of the Universal with Our attention turned ever toward God, would not seek to draw even life itself did We not know and use the rhythm of the Flame

to expand that life to bless the Universal. So must it be with you, in that magnificent balancing of your own individual Flame.

When first you came to this planet Earth, the glorious Presence of God within the Three-fold Flame filled the entire form which you then wore. That Immortal Flame (the garment of the Presence) was visible to the physical sight of all men at that time. Through the rhythm of that Flame, you were able to draw from Universal Light any form you desired, and by the magnetic power of the coalescing action of the Flame, you could design and precipitate food, clothing, shelter, lovely Temples, or whatever was the requirement of the moment. Then, through the power of your feelings which energized your thought-forms, there was manifest instantly that which was required to make and keep you happy. All of that which you drew forth was used for the good of the whole. Mankind moved in that rhythm of life; that natural expansion and contraction; the drawing forth of the blessings of the Kingdom. Every man, woman and child was then "about the Father's business". All were interested only in widening the borders of the Kingdom, by coalescing into form the Divine Ideas which passed from the "I AM" Presence of each individual into his outer consciousness through the Silver Cord. Each life stream was like a fountain. It drew the new ideas from the Presence, coalescing around them the elemental substance which responded instantly to their love and their call, thus manifesting the magnificence of form with which they filled the world. This was the time when the Golden Ages were manifest, where Angels, Gods and men walked together and there was no veil between! The "curse of Cain" (labor by the sweat of the brow) disintegration and death

were unknown. Those were days of great happiness, beauty and perfection of every kind.

We are now about to witness the incoming of a New Age of Perfection in which your blessed selves are again taking part.

We are endeavoring to assist you all to nourish that Flame of Divinity and Mastery and to make It expand. In the case of conscious chelas, that Flame has already grown to a point where your inner perception and consciousness has accepted the Image and Likeness of your Presence. The small Divine Presence which once filled your entire body, is beginning its expansion again through the upper part of your physical form until one day you will become the Master Presence of life. This small replica of your own Divinity (as your attention goes to It and as you invite and invoke It to use the energies of your life to produce perfection), will mature and expand in power. As It does so expand, shadows, discordant creations and the maya of human appearances will decrease. As the "I AM" in you increases, the discordant creations around you will decrease.

Beloved ones, the mathematical precision of the Law of your life is such that I long to get this one point firmly anchored in your consciousness. The "I AM" Presence of God Who once filled your being, has decreased because you voluntarily chose to take your life and attention from It and place your attention upon the creations of the thought and feeling forms which you saw around you! The Presence of God will again increase within you as you take your attention away from the discordant creations in your own

world, no matter what they are --- limitations, ill health, inharmony -- all creations that are distasteful to you and to others. When you take primal life (the essence of God) and turn the flow of that life through your attention toward your God Presence often enough, that God within you will stand revealed! You will not have to tell any man where your life is flowing. Each man is an open book in himself. Wherever your life has been directed, the resultant appearances are a manifest expression in your world.

Beloved hearts of Light, within you is the Presence of Almighty God! It is the same great Presence of God which I have used to sustain this planet in the Universe. Whatever your mind can conceive; whatever your heart can feel; this Presence of God can do! It says always: "All this I can do, my beloved, and more!" This God Presence must be invited and given opportunity to act for and through you. Through that invitation and opportunity to serve you, It Matures and expands.

#### How to Expand the Light of the World

Beloved children, when the Presence of God does anything through you, you are expanding the Light of the World! When the Presence of God issues decrees of perfection, through you, you are expanding the Light of the World! When you allow the intellect and human ego to accept the credit for whatever is accomplished (even silently within yourself), you are then denying the Presence of God the courtesy of recognition as the only power that can act! Then you are only adding to the shadows of personality. The man who cuts a cord of wood, acknowledging the Presence of God's energy (life) flowing through his arm, as

the power by which he works, expands that power of the Presence of God within him, lighting his aura and lighting the world! The singer who acknowledges God as singing through her, expands the Light of the World! The woman moving about in the daily household tasks, acknowledging that it is the Presence of God in her which enables her to make the beds, set the table, or cook the meals, is also filling her aura with and expanding the Light of the World! The Presence of God, when invoked and acknowledged, always fills the individual aura with Light.

Now, you who wish to be "The Light of the World," relinquish now in My Name all power you have ever given to others; all power you have ever given to the shadows you have created. Remind yourselves every morning: "I live, move and have my being in the very Presence of God. I cannot lift a finger except by the use of the life of that Presence. I cannot speak a word but for that Presence." Dedicate and consecrate your conscious mind and feeling to remembering that, as you walk, as you speak, as you think, the Presence of God within you is endeavoring to widen the borders of God's Kingdom. Then shall I have "Light-bearers in fact! It is so simple a realization and yet within it is your freedom!

We Who see with the inner sight the magnificent Presence of God within the Chalice of your heart, long for the day when you make the great surrender of self to that Presence. It will come more quickly than you think! Until that day, remember, I LOVE YOU for, you are "The Light of the World". As that Presence expands through you; as the Light passes through your body, mind and feelings and as you come into the realization of the natural rhythm of your own Immortal Flame

of Life, I shall soon return to My Star, Venus. Yet I shall visit you often in the future, in the fuller freedom that comes from intercourse among those planets whose vibratory action is ONE -- DIVINE LOVE!

### THE REQUIREMENT OF THE HOUR

by Beloved El Morya

All great world movements, religions and activities ancient and modern, have been inspired by some member of The Great White Brotherhood in cooperation with a spiritually sensitive individual in physical embodiment at the time of its inception.

The evolution of the individual God-Identity from infancy to spiritual maturity is the underlying purpose of all life experience. The Great White Brotherhood is the Spiritual Representative of the God-Will for the Planet Earth and, thru its members, provides the stimulus toward God development for the Planet and Its people thru the release of tremendous Cosmic Forces consciously directed and sustained in the lower atmosphere where embodied man functions.

With the evolution of the race the type of spiritual force requires changes, just as in the growth of nature, the seasons provide the natural conditions most beneficial to its prolific expression. You might consider the release of these great Cosmic Outpourings like the playing of a Universal Symphony, each Religion or Activity with its constituents representing one chord

or passage in the Great Whole.

To provide channels for the release of these rhythmic pulsations, the Masters have inspired the founding of the various religions and types of worship from the beginning of time, always, designing the ceremonials and beliefs around the spiritual requirements of the Age.

The Master chooses those lifestreams who are by nature and inclination best suited to conduct the spiritual forces of the particular World Hour, and these people together with Their Spiritual Leader, become a radiating center thru which the Cosmic Forces designed to bless the race flow. This force is absorbed by the souls of men, and when that element is sufficiently provided, a new center of vital forces is prepared, a new religion instituted, and a different type of lifestream given an opportunity to become the conductor of world blessing.

Thus each religion and faith is a rhythmic part of The Great Symphony, but it is regrettable that although the Masters work in perfect harmony, the dispensers and recipients of Their life force are oftentimes unable to recognize the Unity of Purpose behind the many chords of the Universal Song. Were the notes and themes in our musical compositions as unwilling to relinquish their place to the following chords We would experience the same discords in musical expression that man has experienced through religious bigotry, intolerance and misunderstanding.

The Master Musicians, playing through all the chords on the scene of Modern Spiritual Endeavor constantly work toward the blending of the various scores into a harmonious whole and

the people of Earth who are but a part of the Great Universal Song would do well to emulate them in their individual lives.

It is not enough that people become aware of the Living Presence of these Masters who have been made known to them, but they must realize that these Emancipated Ones have dedicated Themselves to the redemption of mankind through the awakening of the individual consciousness which will bring liberation from every kind of human limitation, including disease, poverty, wars and yes, ultimately, even death itself.

As in all educational activities, it is logical to assume that there must be cooperation between student and Master. The old saying that -- "God helps him, who helps himself" -- holds true in this instance and when man is privileged to be shown God's Divine Plan for the Earth and Its humanity, it would be the part of wisdom for him to enroll under the banner of these Great Benefactors and thus help to promote the speedy evolution of not only himself, but the planet and its inhabitants.

The Master Jesus told His disciples nearly two thousand years ago "I have yet many things to say to you, but ye cannot bear them now". The Masters of Wisdom apparently consider that the man of today is mature enough to 'bear' enough of Cosmic Truth as will enable him to open his mind to the more advanced doctrine of the New Day, thus enabling him to step boldly through the Door of Knowledge and Enlightenment into the Glory and Freedom of the prophesied Golden Age, the dawn of which is even now illumining the horizon of this dark world.

The time has arrived, therefore, when it is not sufficient in itself to accept the existence of the Masters of Wisdom; it is not sufficient to gratify the feeling nature in reading and re-reading Their Words; it is not sufficient to invoke the Light to dispel the darkness of human ignorance -- THE REQUIREMENT OF THE HOUR is to apply what has been taught, not only in recent years, but during the past centuries.

THE REQUIREMENT OF THE HOUR is to develop man's latent powers in order to establish a direct and conscious contact with these Divine Teachers. THE REQUIREMENT OF THE HOUR is for man to acquaint himself with the present Activities of the Great White Brotherhood. THE REQUIREMENT OF THE HOUR is for each man to turn within, consciously contact and connect his outer consciousness with his own Christ Self, thus becoming not only a Receiving, but a Radiating Center to all the life he contacts in his daily living.

#### YOUR PROTECTION AT THIS TIME by The Elohim - Hercules

Greetings Friends of Light, "I AM" He whom you know as Hercules! Why come I into the Earth's atmosphere today? For the very simple reason that there is a great requirement for protection at this time and every Spiritual Focus of Protection is being energized, for it is expedient that We do so. Naturally the chelas are the ones to whom We emphasize this fact!

I come not to alarm you or to engender the

negative activity of fear, but to energize your Faith in the All-Power of the Almighty! The acceleration of the activity of Purification of this Planet Earth and Her evolutions is a stepped-up vibration which some of you are already experiencing in your own lower vehicles. All the Beings Who are specifically dedicated to cleansing the Planet and Her guests are releasing and releasing the Flames of Purity and Transmutation toward this accomplishment.

Would that you could see Lord Michael and the Mighty Astrea descending into the Earth's atmosphere wielding Their Swords of Blue Flame, or Lord Zadkiel and Holy Amethyst releasing the tremendous activity of the Violet Transmuting Flame! All the Priests and Priestesses of the Order of Lord Zadkiel are at attention, every moment. There is a rotating activity of great precision of both these Flames as They sweep through the Earth and the astral realm ...not one period of 60 seconds elapses without this tremendous release of the Sacred Fire. Think upon that .... and be grateful!

The Cosmic Law has issued the Fiat that the chaotic conditions prevalent on this Sphere must be transmuted! Lord Serapis Bey and His Legions of the Ascension Flame are in attendance at all times to bring about the ascendancy of this Earth into Her Pure and God-ordained state. The Brotherhood at Luxor have turned that Focus into a colossal Searchlight, as one might say, whose Rays rotate and send forth the activity of the Ascension Flame to and through the Holy Christ Self of all upon this Planet, charging the Christ Self of the chelas first, and then in lesser degree to everyone upon this Earth.

Some of the physical bodies are ready

"moaning and groaning" as the saying goes, and those who do not accept this blessing of purification will have to later individually expend more energy in the purification of their lower garments, WITHOUT the added assistance of Luxor's Holy Light. It is for the purpose of apprising you to be alert at all hours that I come to you at this time and when you feel the causes and cores being pried loose from their mooring to be grateful.

Also, Beloved Mother Mary is giving every assistance the Cosmic Law will permit, in the hope that you will accept this purification and the Truth contained in the Immaculate Concept.. the Divinity, or God, is everywhere and anything less that is manifesting is through your acceptance of imperfection for yourselves or others.

IN THE NAME OF GOD "I AM". I entreat you to hold your tongues and do not use your energy in making statements of an imperfect nature. Do not see any imperfection which may be manifesting in another!

NOW - HOW about the little self of your own lifestream which has been coddled through the centuries? Looking upon the Light of your Beings, I do not see anything less than Perfection! Will you not emulate the Cosmic and Ascended Beings and do likewise! You can, you know!

"I AM" this day charging and charging and charging all the chelas in THE BRIDGE and other true Spiritual Activities with My Conviction of Faith in God! FEEL IT!!! Energize the feeling of Illumined Faith in God's Power to act through you at all times!

I trust, My beloved friends, that you do not deem this instruction stern, but when the Cosmic Law makes a Decree, We do not hesitate to IMMEDIATELY put the Edict into action, for We are embodied Obedience to the Will of God.

To give you a mundane illustration taken from the physical appearance world...When there are forecasts of storms in those sections of the Planet where the Nature Kingdom is expressing the Winter Season, the heads of households and others responsible for the nourishment of the bodies quickly take stock of what commodities are on hand to nourish the precious physical bodies and when insufficient, there is much dashing to the nearest store to get supplies; in all this rushing about, the shelves of the stores are soon emptied by the fear of those who feel there must be nourishment for the body!

Well now, living in the physical appearance world, it is expedient that one does have supplies for the sustenance of the vehicles, but I tell you with all the conviction at my command, far more important it is that you have a stockpile or momentum of Faith in God and be prepared, at all times, to use and accept the Flames of Transmutation and Purification for yourselves and others. PRACTICE, PRACTICE the Principle of the Immaculate Concept so that you will be shining cells in the Diamond Heart of God, as is your destiny! This is ordained for you now..not in some distant future, and "I AM" the Elohim on the First Ray in the precise steps of Precipitation and you shall precipitate God Good at all times, for it is My responsibility to impregnate your consciousness with that fact!

Be assured this emphatic instruction which "I AM" privileged to give to you today is in

the Spirit of True Divine Love! ACCEPT IT! USE IT! --- It is also your responsibility to the Supreme Source to do so! I shall be watching and awaiting your obedience to the Cosmic Law.. of Love!

### THE KEY TO CONTROL YOUR SURROUNDINGS by Beloved Jesus

Hail, thou, come into My Presence! I salute the Christus arisen within your hearts and as you have honored My Birthdate and you have honored My Mother, so I honor the Flaming Presence which is alive within you, expecting and inviting that Presence within you to COME FORTH and render through you those services which I rendered ages ago, and which have been glamorized by the myths of the past and yet which are a challenge to each and every one of you of this day. For every word which I have spoken which has been recorded is Truth and I have said "the things which I have done ye shall do, and greater things". Where are "these greater things?" COME YE FORTH THIS DAY OF LIBERATION and render at least those services which are the powers of instantaneous healing and sustained harmony and the God-gifts of your Divine Nature.

You have a Cosmic Name

Through the kindness of Almighty God, you have had intercession with the Divine Beings from the Realms of Light throughout this embodiment and those which have gone before. You have been with Me on Earth, and you have been with Me between

embodiments and you know that although "I AM" honored as being the Gentle Shepherd, I, too, have the fire and authority to command energy to ACT in a perfect manner! Such energy I request now!

What is the purpose of your being? To control the energy which is loaned to you by God, to qualify it and to send it forth through all of your lower vehicles and then to utilize it and project God-energy with the constructive quality required through the authority of Myself and your own "I AM" Presence to bring perfection where imperfection has been! I had told the disciples centuries ago "whatsoever ye shall ask in My Name, it shall be done unto you". I repeat that again, again and again!

You, too, have a Cosmic Name, a Cosmic Mission, a Cosmic purpose of accomplishment and that is in the efficacy of learning the control of the vibratory action of God-energy or God-life. Think you that if We Who were among those drawn forth in Galilee to render that service had not control of all of the energies of Our Own Vehicles, that We could control the energies of those around Us, those who sought to destroy the Plan of Perfection; those who desired, through temptations which you will never meet, to stir the energies of My Feeling World of My Thoughts, My Etheric Consciousness or My Flesh Form.

You are required to do as much. If you are constantly bombarded by, and you will be if you so allow it, not only tramp thoughts and feelings, words and actions but projected ones, and you have not A POSITIVE AURA which moves more rapidly than that which is directed toward you, IT SHALL BECOME A PART OF YOU, because like becomes like.

Which do you wish to be --- A God or a Goddess, or again after ages a human being bent with the frailties which come through the acceptance of human nature?

I assume in your hearts that you desire to rise above the vibratory action of imperfection and live in a Realm, even while yet unascended, where you are the Master Control of all energy in, through and around you. Then you have builded for the hour when you require it, that energy you can direct to any person, place, condition or thing which desires or requires assistance.

When the fishermen in the boat were sore distressed because of the raging sea, where did I receive the Power which stilled the waters? Because I had through the assistance of both My Mother and Father, and Lord Divino been taught from Childhood to magnetize Peace and that Peace became a great reservoir and so I said to the waters "Peace be still". And naturally they responded, because there was more energy already drawn around Me qualified with God Peace than all of the turbulence of the sea of Galilee.

Mechanical and scientific in the extreme is the Law! Whatever power has the most energy in your own world is the power which will act in emergency particularly. Build, each one of you, those Virtues and Qualities so that if it is required of you anyone, to bring Peace or Healing or Resuscitation, you have already more energy than the imperfect appearance.

If I had dwelt upon the passing of My Own Father and All of those other blessed ones whom I had known, I should not have had the stockpile of God qualified energy of Life Eternal, which

was more powerful than the moaning, crying, curiosity, skepticism and various other qualities of energy in the group, as well as the lethargy of Lazarus. So, INVOKING, all that gathered power and momentum of LIFE EVERLASTING and directing it into the heart of his lifestream to render a service, that energy was more powerful than those other qualities of an imperfect nature acting through the people. Lazarus responded and came forth.

Everything in this world, on any plane, even in the Ascended Masters Realm, in the Realm of Divinity, is qualified either by GOD POSITIVE ENERGY or by creations -- positive or otherwise -- of imperfections through the misuse of free will.

Now you have started upon the pathway Home into the Heart of God, the very first pebble upon your pathway may stub your toe a bit, yet as you draw of that self-mastery in, through and around you, your own light blazing forth through you will be enough to remove a boulder or a mountain.

I was a Man Who came to Earth for a Purpose, voluntarily. I chose to show mankind in a time of great darkness what God's destiny for each and everyone of them was to be. Through misinterpretation of The Law, unfortunately, I was set apart as the "Only Begotten Son". I came to bring the Example of Eternal Life, overcoming through the assistance of Divine Beings a very unpleasant experience called death, then had to re-convince My disciples that I lived and moved among them Resurrected, no human power able to touch the God-qualified energies of My Own Lifestream.

All of these things I had done because the world requires every now and again the Coming of a Perfect One; One Who can fulfill the purpose and represent on the Earth Our Heavenly Father. They call such an One "An Avatar". You will have, of course, the Coming of a Perfect Being representing My Beloved Brother, the Ascended Master Saint Germain. But, in the interim, under the Dispensation of the Cosmic Law, it would be a marvelous thing to have rise up among you your own Godliness to a point where your energies are constantly, and consciously, devoted to One Purpose --- learning to build in the silence, the reservoir of every God Gift and Virtue, and utilizing it as the requirements demands!

I will say to you who are not yet without sin, be honest, as honest as you would have to be in the presence of Beloved El morya, as you will have to be as you stand before The Karmic Board. BE HONEST with yourselves as to the quality or those Virtues which are your "weak" points and develop them.

It is easy to love those who love you but you must learn to love those who perhaps have disturbed you. No one could have passed through that Initiation of the Crucifixion without knowing what it is to hold control and mastery through every type of ridicule, physical, mental, etheric and emotional and at the end of that period pass the final test, remaining on that cross and then, with the help of the Lord of Life, the Holy Spirit Himself, coming forth and remaining to ANCHOR the disciples in the Power of Light before I went back to My Father and yours.

Have you been whipped in public, with a crown

of thorns pressed into your brow? Have you had your garments rent? No! Those things which happened to you in this embodiment are very slight as to those experiences through which I, voluntarily, passed to show that the Son of God was the Master of the energy of His World. Thus I was able to stand before Pilate Himself and when he said unto me "Hearest Thou not how many things they witness against Thee?" And I answered him never a word, for he had no power over My Life or My departure, and no human being has power over your life and your departure, except your own "I AM" Presence, Holy Christ Flame and your Divine Sponsor.

Accept that not only for yourself but as I speak it into the ethers, I SPEAK OF LIFE ETERNAL through the controlled energy and power of One Who has experienced every type of energy which was less than perfection catapulted at Him and Who has come forth VICTORIOUS! What One has done, many shall do!

We are late, beloved ones! Late, by thousands of years. The next avatar was due long since, yet came He not because of the recalcitrance of the human race and her attendant evolutions.

Now in the Great Tetons there are gathered together around the Hierarchs, Beloved Lanto and Confucius, many shining Beings from the Hearts of Alpha and Omega and All the Suns of the System. The Great Karmic Board is already in session. The Beloved Lady Portia, Kwan Yin and the Others. Mankind has opportunity unparalleled to walk and talk with the Master of their choice, and you have opportunity TO BECOME GOD IN ACTION! When I say that affirmation, it was oftentimes required to release power through the spoken word to

shatter the creations of imperfection, but in wisdom's way oftentimes the service can be rendered in the silence.

Those of you who have loved Me thousands of years, thought a good deal about Me this Holy Season, are definitely connected with My world experience, PREPARE YOU TO BECOME AND REMAIN A GOD EXPRESSION, ABLE TO USE THAT GOD-LIFE AS OF NOW. The moment is NOW! When do you think? I was not told beforehand about any of the experiences from My Baptism in the Jordan on. I had no written scroll: --saying on such and such date You will heal; on such and such date You will raise so-and-so. No! But I used My Life magnetizing that God Power and then as each experience came I had already the qualified energy and through the Power of the God acting through Me, I was able to render the assistance. Thus I was not taken unawares. If you have to have a calendar, to advise you when you shall be called, don't expect it, but expect through Our Words that We shall require assistance of unascended beings AT ANY MOMENT! NOW SLEEP NO LONGER BUT LIVE AND IN LIVING MAKE BEAUTY A PART OF YOUR BEING.

#### THE MAGNETIC POWER OF LOVE

by Beloved Lord Gautama

From the smallest living intelligence to Greatest Universal Sun, the Magnetic Power of Love is the one activity that knows neither space, time nor barrier, but transcending all form and matter, rushes toward fulfillment of Itself wherever the vibration of Love calls It forth! Truly, Love knows Its Own, and no disguise, no shadow, no form can hide truth and love from Life!

Long did I meditate upon the Love of God as contrasted with the terrible appearances that afflicted the brothers and sisters who shared with me a place beneath the hot Sun. In My heart I prayed that I might understand the Nature of the Creation Who could sustain and energize such unhappiness. If I, a son of man, could find such pain within My fellowman's distress, it did not seem within the realms of logic to believe that the Supreme Intelligence from Whose Bosom We all came forth could tolerate such iniquities.

The battle between My reason, mind and intellect, My sympathies and My rebellions took many years as Earth count is reckoned before I came to an understanding of the Love of God and His Sweet Design for all His creatures! Until I could look upon the world and all within it and see it as He, in His Love, conceived it and held it still.

My entire Life became a dedicated pilgrimage to convey the feeling of God for His Children to those who chose to participate in My joyous realization. After the close of My Earth Life and the completion of the Cycle that followed My Ministry, I was enabled to enter the Deep Heart of the Great Silence, coming forth as you know once each year (at the Wesak Festival) to bring the blessings and benedictions of God to the evolution still walking the Earth.

Then, the call for Mercy came so strongly through the Inter-planetary communication system that I was drawn from the Heart of the Silence and, in interest, chose to return to the Earth to see multiplied a hundred fold the desire for Mercy for all Life within the yet bound souls

of men. As the magnet draws the Light of the Sun and creates a Flame, so does this deep heart desire for Mercy from the souls of men, draw the Flame of Our Presence, for LOVE CANNOT BE DENIED!

I shall endeavor through Lord Divino and Kuthumi to intensify the outpouring of Love Divine through the teachers of the race, those embodied and those yet awaiting embodiment. I shall endeavor to assist you each one, to remembrance of that feeling which you enjoyed in My Presence and which is within the substance of your etheric envelope awaiting invocation to live again for you today!

May you know the Ecstasy of the Love which God is -- and which it is My privilege to transfer to those who choose to love Him. The Blessings of the God of Love be upon you each One!

+++++++

Gautama so dear - come to us here!  
Flood forth Your love to all men,  
Teach us to live - help us forgive  
Help us again and again!

Gautama Divine - let Your Light shine,  
Let all Your Love take command!  
Show all its worth - hold all the Earth  
Safely in God's Mighty Hand.

Gautama of Peace! Give Earth release  
Compel all mankind to feel  
God's Mighty Truth - from early youth  
God's LOVE is ALL that is real!

## ETERNAL LOVE AND GRATITUDE

O Blessed "I AM",  
     We ever shall stand  
 True - faithful to Thee  
     For Eternity.  
 Our Love now ascends;  
     All with the Light blends;  
 And praising Thy Name,  
     We God's Truth proclaim.

O blest Hosts of Light -  
     God's Legions so bright;  
 We're grateful to all  
     For answ'ring each call.  
 O blest Saint Germain  
     And Thy Violet Flame;  
 Thy Name we'll adore  
     Now and evermore.
