PART I

THE PURPOSE OF THE BRIDGE TO SPIRITUAL FREEDOM

The Mighty Ascended Master known as El Morya, in His great Love and Compassion, and desiring to assist the Ascended Master Saint Germain to bring forth FREEDOM more quickly to the Earth, went to the God Parents of our Solar System, Beloved Helios and Vesta, and presented His Plans as to how this might be accomplished. He was granted permission to bring forth THE BRIDGE TO SPIRITUAL FREEDOM publications (At its inception it was known as THE BRIDGE TO FREEDOM, Inc.) and endeavor to bring to the attention of more of mankind the Ascended Master Laws governing Life, and the understanding that there is a Divine Hierarchy of living, breathing Beings Who desire to walk and talk with mankind once again.

The Ascended Master El Morya is a great exponent of the FIRST RAY or Department of Life, which is also known as the Blue Ray of Power. He, and Those Who serve on the First Ray, are the Ones Who first receive the Divine Ideas from the Heart and Mind of God and pass them on to Their fellow-workers, in both the ascended and unascended realms. This means that They are the instigators or 'pioneers' of new movements and ideas which, to a great extent, are usually resisted in the beginning by the mass of mankind.

The Ascended Masters El Morya and Kuthumi are the Great Beings Who brought forth the Theosophical Movement and the knowledge of the Ascended Masters and Their activities to the people of the Western World.

---

Many people do not have the courage to dare to be different from their fellowmen and accept new ideas with their different ways of thinking and living, but prefer to wait on the side lines until these ideas are accepted by more of mankind. It takes strong, bold, determined individuals to present new ideas and stand staunchly by them in the face of ridicule and resistance, but those on the First Ray have the qualities necessary to give such service.

The Ascended Masters and the Angels walked and talked with mankind in the early days of the Earth when Perfection reigned here, and only ceased to do so when mankind created the veil of human creation which, like a fog, prevented the continuation of this conscious communion. Now, the Ascended Host of Light are but waiting for that human creation to be dissolved and transmuted in order that They may once again walk and talk with the people of the Earth.

Since mankind created that which shuts out the counsel and guidance of the Ascended Masters, it is now their responsibility to dissolve and transmute the human effluvia to the point where the Ascended Masters' Instruction can be given to them in person. Until that time, however, it is necessary that They use a PHYSICAL CHANNEL to form a BRIDGE between the Divine Realms and the Earth over which the Law can be presented.

For many years, the Ascended Master El Morya trained an individual who was qualified by a similar service in ages past, to be such a "Bridge" or "Contact" between the Ascended Masters and the people; one who could receive the New Ideas and Plans which the Great White Brotherhood desired to bring forth for the blessing of the Earth and its evolutions, and who would have the strength and fidelity to present them to the people - thus enabling them to cooperate in bringing protection, freedom, and blessings to themselves and all life.

At the close of 1951, a COSMIC FIAT went forth for the Earth to emit more Light! In April of 1952, in accordance with the Ascended Master El Morya's plan, the first issue of "THE BRIDGE", a monthly magazine came forth - giving mankind detailed instruction from the Ascended Host of Light which had never before been given to mankind except to the few who were able to gain entrance into the Retreats of the Ascended Masters. Through Beloved El Morya's tireless efforts and drive of energy, and the purity of the 'Contact' who relayed His Messages - and those of other Ascended Masters and Cosmic Beings, the Archangels and the Elohim - tremendous assistance has been given to the earth and its people.

In 1951, at the Winter Council of the Great White Brotherhood held at the Rocky Mountain Retreat in Wyoming, U.S.A., because of certain Cosmic changes coming, not only to our Earth, but to the entire System to which the Earth belongs, the Cosmic Edict was given that the Earth must not only emit more Light to sustain itself in the Solar System, but that this must be accomplished within a twenty year period. With such a short period of time in which to accomplish that which had not been done in millions of years, every Ascended Master and Cosmic Being was required to 'step-up' Their activities along every line, and in turn, Their students here on Earth are required to do the same thing.

The Great White Brotherhood has met for aeons of time in certain Retreats of the Ascended Masters each thirty days, as we count time, to enable certain Divine Qualities which have been drawn there to be sent forth to assist mankind, but when there is a CONSCIOUS FOCUS on the Earth - which means an individual in physical embodiment who knows of these meetings - then the service given to mankind can be without limit.

It was through the efforts of our Beloved El Morya that the knowledge of the Retreat in which the Great White Brotherhood was meeting during each thirty-day period was given to the students of THE BRIDGE TO SPIRITUAL FREEDOM. This enabled the students to consciously draw forth that particular quality into their own localities and lend their energies at the time it is needed, and not years or centuries after the need had passed. The students are privileged and blessed indeed to know RIGHT NOW in which Retreat the Ascended Masters are meeting, what they are desirous of doing for mankind at the present time, and thus make a BRIDGE OF ENERGY from the Divine Realm to the human realm, over which the Light and Love of the Realms of Perfection can become part of the worlds of those evolving upon the planet Earth.

It is a Cosmic Law that the Ascended Masters are only permitted to do certain things for mankind according to the amount of ENERGY RELEASED by mankind - harmoniously qualified - that can be amplified and sent back to help them. Since mankind are the beneficiaries, the Law requires that they must DO SOMETHING about helping to set themselves free; for what the Ascended Ones do FOR mankind must be done THROUGH them!

So many times, people forget God when everything seems to be going all right - remembering Him only when they are in great distress of mind, body, or feelings. If each one were to ask himself what he DOES give to God to be amplified and given back to him, it would be quite a revelation.

Such marvelous instruction has come forth through THE BRIDGE TO SPIRITUAL FREEDOM, and so many wonderful things are being done for the Earth and its people, that it is difficult to even begin to name them.

Great effort has been made to help individuals feel that the Ascended Ones are really and truly our Elder Brothers, that they do not stand in awe of Them, but in dignity, love and reverence, COOPERATE WITH THEM! When you understand a thing, you cease to fear it, and everything has been done to help the earnest student learn the Laws of his own Life, apply them, and to stand upon his own two feet; and to LOVE - and not fear - the activities that God and His Messengers bring.

As happens so many times when the Truth and Light come forth to help humanity, those who oppose the expansion of the Light, and others for various reasons, seek to belittle the service given. For the seeker on the Path to Victorious Living, it requires great discrimination in order to recognize Truth through the many facets purporting to be direct channels of the Ascended Masters. In this regard, the seeker should ask God for direction and enlightenment, and then be at peace and follow the directives of the God Self.

THE BRIDGE TO SPIRITUAL FREEDOM and all those who are assisting in its expansion bless all who can and will truly assist mankind in any way, but THE BRIDGE TO SPIRITUAL FREEDOM is not affiliated with any other group or activity of this nature. While other activities may use the word 'Bridge' in their titles, they are not, in any way, affiliated with this Organization. This, of course, excludes those groups who are dedicated 'BRIDGE TO SPIRITUAL FREEDOM' students and use our name in association with their group activities.

As Representative of the WILL OF GOD, the Ascended Master El Morya is Hierarch of the Temple of God's Will at Darjeeling, India, which He maintains as a Retreat for Himself and His Brotherhood. His color is Sapphire Blue; and His Keynote is found in the music of 'Pomp and Circumstance' (Land of Hope and glory) by Sir Edward Elgar. El Morya was embodied as the Wise Man,

Melchior, at the time of the Birth of Jesus; and He was also the legendary King Arthur of the famous Round Table Court. At the time of King Henry VIII of England, El Morya was the brilliant Sir Thomas More. His last embodiment was that of Thomas Moore, the Irish poet, who gave us so many beautiful words in the songs 'The Last Rose of Summer', 'Believe me if all those endearing young charms', and many others.

#### EL MORYA'S RETREAT AT DARJEELING, INDIA

The Ascended Master El Morya, exponent of the First Ray, has His Retreat or Focus of God's DIVINE WILL established in the foothills of the great Himalayan Mountains. It is a magnificent white palace approached by a winding road which leads to the front entrance. From the palace steps one can look out upon the grandeur of the Himalayan Mountains, rising, crest after crest, into the distance. Within the palace, on one side of the entrance hall, El Morya has a large comfortable drawing-room wherein He entertains friends and students from time to time. A lovely garden may be seen surrounding the palace as we look upon them from a vantage point within the room. El Morya and Kuthumi often play upon the rosewood piano which is situated so that the player may look out upon the garden and the inspiring Himalayas beyond. A fire is kept burning steadily in the grate, tended by faithful servants so that even when the Master is not present, there is always a living flame in this comfortable and beautiful room for the pleasure and inspiration of His visitors and guests.

At the other side of the entrance hall is the Council Chamber wherein El Morya discusses with students and lifestreams of influence in the world of men, certain plans designed to further the fulfillment of God's Will on the Earth.

In the entrance hall itself, is a replica of the Taj Mahal which was builded centuries ago by His Beloved Brother of Light, Kuthumi, with whom El Morya has served for many embodiments in furthering the Cause of God's Will on this Earth. The impression created by this blessed Ascended Master in His Home and Retreat is a combination of 'homey' comfort and exquisite taste.

The actual Temple Room is exquisite indeed! The Altar which holds the focus of the Sacred fire qualified with the desire to do GOD'S WILL, is composed of exquisite blue Sapphires and Diamonds; the carpeting is electric blue; and the windows are of the finest stained glass - depicting scenes from the lives of El Morya. The color of these windows is predominantly blue, and the scenes include the Magi following the Star to Bethlehem; the Knights on the Crusade to Jerusalem; and the figure playing upon the harp so famous at Tara; Saint Francis feeding the birds; and a scene in Ireland near the Lakes of Killarney; as well as many other representations which are unfamiliar to the mankind of this day. There is one window dedicated to the Elohim Hercules, and another to Archangel Michael - both of whom serve with El Morya on the First Ray. There are five windows yet to be finished - indicating future activities of this great Lord of Love.

El Morya is the Great Being Whose responsibility is the guardianship and evolution of the Asiatic Continent and its people, as well as the supervision of the governments of the world. This great Ascended Master is representative of all that is majestic, dignified, and exquisite - not only in the Realms of Life Eternal, but wherever He chooses to give His attention.

Since the days of King Arthur, the GRAIL and great DIAMOND SPEAR which are symbolic of the two activities embodied within the Will of God, have been in El Morya's

possession. THE GRAIL signifies the consciousness upheld into which is poured the Divine Will along with the inspiration of the Divine Plan to manifest this Will of God. THE SPEAR SIGNIFIES THE PROJECTING FORTH OF THE ENERGY INTO action and ACCOMPLISHMENT. In the East, many have completed the action of the Grail, but it is to the West that the Great Ones look for the manifestation of the Spear in the actual projecting of God's Will through the energies of each lifestream on the Earth.

This Retreat magnetizes, sustains, and radiates forth the positive consciousness of God's Will into the atmosphere of Earth, and counteracts the negative acceptance that the distortion created by man is God's Will. From this Temple, Faith in the GOODNESS of God's Will is constantly pouring forth like rays from the sun into the feelings, minds and worlds of mankind. The desire to do God's Will stimulates the expansion of the Christ Light within every man. This is the service of El Morya and the Brotherhood of God's Will who sustain that Flame at Darjeeling.

In consciousness, enter often into the Home and Retreat of El Morya. Sit by the fire in His drawing-room; absorb the radiation of His Faith and desire to promote the expression of God's Kingdom on Earth. Remember, FEW Know of His Retreat. FEW know of His service. FEW are invited into His Home and Presence. YOU ARE AMONG THOSE FEW! Remember that what you DO with the opportunity given will determine the blessings yet to come!

#### DISCOURSE: THE ASCENDED MASTER EL MORYA

"Greetings, Blessings, Love, Light, Freedom, Hope, Courage, Strength, Vitality, and Fire from Darjeeling to the sons and daughters of men everywhere upon the planet

Earth, to the Elemental Kingdom, the Angelic Host, the Cosmic Beings, the Ascended Masters and all, who have turned their consciousness and attention toward the heart of India, and who choose to voluntarily open the doors of the Will and Nature of the Godhead.

I speak to all mankind everywhere! It is the Fiat from the Heart of Creation that the WILL OF GOD SHALL NOW MANIFEST through your life, your energies, your senses. I speak these words into the mental and feeling worlds of this planet; into the groaning substance of this dark Star; into every appearance which enfolds an earnest son or daughter of the Kingdom who has forgotten the Divine Destiny of God Mastery:

The WILL OF GOD is GOOD! The WILL OF GOD is for a free people! The WILL OF GOD is that the axis of the Earth shall be straightened; that the extremes of climate shall be mercifully blended. The WILL OF GOD is that every man, from within himself, shall draw forth the substance and supply that which is the need and requirement of his everyday existence. The WILL OF GOD is that disease, death, poverty, limitation, and unbalance of mind and body shall be no more; that impurity, viciousness and unkindness shall die; that elemental Light shall again shine; that the Earth shall take on the hues of iridescent Beauty which it had when it came forth from the bodies of the Elohim. The WILL OF GOD is that there shall be no veil between man and God, and that Angels, Devas, and all God-free Beings shall walk and talk as freely with the evolutions of the Earth as they now talk with each other.

This is the WILL OF GOD - the lame to be made whole; the sick to rise; the diseased to become filled with ease and balance - each one entering into the deep recesses of his heart, facing his own Supreme Divinity, seeing It face to face, and becoming so enamored of Its Light that the externalized

form he wears becomes the magnificent perfection pre-ordained and destined for each lifestream.

It is time that the WILL OF GOD be impressed with such strength and power into the consciousness of mankind that there can no longer be any dallying in the shadows nor acceptance of limitation as part of this great Universal First Cause. Those in unascended bodies, interested in sending forth, at least five minutes at a time, three times a day, the following strong, powerful thought (and spoken word if possible) will be MYSELF IN ACTION!

The WILL OF GOD is GOOD!  
 The WILL OF GOD is LIGHT!  
 The WILL OF GOD is HAPPINESS!  
 The WILL OF GOD is PEACE!  
 The WILL OF GOD is PURITY!  
 The WILL OF GOD is BALANCE!  
 The WILL OF GOD is KINDNESS!

I have stood for many centuries while man and his teachers have prattled about the WILL OF GOD and the submission to circumstance. THAT SHALL CEASE TO BE! Within Life is the Power of Mastery, and within My full-gathered Cosmic Momentum is the pressure and assurance of Faith in the fulfillment of that Will!"

(Here appropriate music may be played while the attention is focused on the Ascended Master El Morya and His activities concerning the Will of God. Suggested music is "Pomp and Circumstance" (Elgar) and "Believe me if all those endearing young charms".)

## PART II

## THE ARCHANGEL MICHAEL

Of the Seven Mighty Archangels who are the Messengers of God, the best known is the Lord Archangel, Prince Michael, who is the Archangel of Faith, Protection, and Deliverance from evil. Countless prayers to Him, with their immediate response, have drawn Him close to the people of Earth.

With golden hair, magnificent blue eyes, and an appearance of splendor, confidence, and Faith in God, Lord Michael has responded so often to the requirements of the people upon the Earth who are in distress of soul, mind, and body. He, of His own free will, chose to become Guardian of the Faith of man in his God at the very beginning of mankind's embodiment upon the Earth. His Presence, or that one of His Celestial Helpers, sweeps Earthward to give assistance to anyone in distress who desires His help.

Lord Michael's Temple is located in the Canadian Rocky Mountains in the vicinity of Banff, Alberta. It is now an Etheric Temple, although long ages ago, it was physically manifest on Earth. It is circular in shape; of tremendous proportions; and has four entrances - one at each of the cardinal points of the compass. The temple is made of a beautiful golden substance encrusted with magnificent blue sapphires, and upon its dome stands a representation of Lord Michael.

When the first group of lifestreams came forth to inhabit the Earth, Lord Michael accompanied them as their Guardian. Many centuries later, after the advent of the 'laggards' from other Stars, who brought with them their shadows of discord, Archangel Michael and His Angelic Host withdrew more and more to this Temple of Faith which had been created from the substance of Earth.

From this Focus, He and His legions have continued to guard, protect and serve mankind. Before the human creation emanated from the people, it was man's natural estate to walk and talk, serve and accept counsel from the Angelic Hosts and Their Directors. From all parts of the Earth, the people came to receive the powerful radiance of this great Archangel, finding there new strength to continue in their respective service - filling their souls with His Faith in the ultimate expression of God's Kingdom of Heaven on Earth.

From this Etheric Temple, Archangel Michael's Helpers constantly go forth on missions of protection, mercy, redemption and salvation. From the Temple, the Ray of absolute unswerving Faith in God continues to radiate forth through the emotional, mental, etheric, and physical substance of the planet and its attendant evolutions. In this temple at night, in their finer bodies, come all who seek to be liberators of the race from disease, soul-weariness, and all manner of human limitation - finding new courage and strength to continue with their chosen service to the Earth.

When an individual makes the conscious call to Archangel Michael and His Legions of angels, They answer and assist mankind from the pressures which have fastened themselves upon them and which live on their very life. Some of these mass pressures (called mass entities) are of tremendous size and accumulated energy. An individual alone who becomes caught in the pressure of such an entity by connecting with it through a similar thought and feeling, has not enough spiritual vitality, wisdom, strength, or courage to extricate himself from such viciousness, but if such an individual will call to Archangel Michael for His help to cut them free from such energy, He and His Legions will come and give assistance. Your conscious call for such assistance is imperative - and when sincerely given, always brings results.

Individuals who pass through the change called 'death' still carry with them all their imperfect tendencies and habits of thought and feeling. Your calls to Lord Michael to HELP THEM will cut them free on the 'other side' and enable them to go into a higher 'schoolroom' for instruction.

It will give tremendous assistance to each one who reads or hears this if, entering sleep at night, the attention is turned to the temple of Faith and Protection. Here ask Lord Michael to CUT YOU FREE from the causes and cores of your various distresses and limitations, and all that BINDS YOU. This will enable the Power of Light to more quickly enter your world and bring you the perfection your heart desires.

#### DISCOURSE: ARCHANGEL MICHAEL

"Beloved friends, sometime, someplace, somewhere, either on this or on some other planet of the system, or in any of the Inner spheres, each created intelligence must come to a point where there is a SURRENDER of the INTELLECT, of the FEELINGS, and of the SENSES to the God self! It is the service of Those who serve with Me, the Defenders of the Faith, to keep alive the Faith in God within the hearts and souls of men; the Faith in their own Divine Destiny - which knowledge should raise them above the limitations in which they are now submerged. It is to intensify and expand the Faith that the Legions of My Kingdom constantly breathe upon the soul-Light of men, and in that breathing, give something of Ourselves, something of Our Nature, which service enables men to 'keep on keeping on!'"

#### MICAH: ANGEL OF UNITY

There is a great Angelic Being about whom the people of Earth know very little. He is the Beloved Micah, the Angel of Unity. It was He who led the Children of Israel out of the wilderness with His manifestations of the cloud by day and the pillar of fire by night. Micah is the Cosmic Son of the Archangel Michael, and like His Illustrious Parent, His Service is an integral part of the First Ray Activities. This Service, as His name implies, is directed toward the unification of all peoples necessary for the manifestation of each individual Divine Plan and that of the planet Earth. In July 1965, Beloved Micah offered His Services to the Hierarchy as the ensouling spiritual Entity of THE BRIDGE TO SPIRITUAL FREEDOM (formerly known as THE BRIDGE TO FREEDOM ACTIVITY), in which capacity He is now the Guardian Presence of this Ascended Master Activity and holds the cup through which all Instruction given through this channel will be enfolded in His Love and Protection.

#### DISCOURSE: MICAH - ANGEL OF UNITY

"There must be Unity of Purpose in the hearts of all upon this planet in order to outpicture the Plan of Perfection which is ordained to manifest hereon. I do not wish to indicate that this is a monotonous performance of so-called duties, but the various Rays of Perfection, all expressing there magnificent God Virtues, shall express through mankind - blending together to expand the Borders of the Kingdom of Heaven at all times - emitting Light where the shroud of effluvia now wraps itself.

"Oh, the glorious Unity which shall continue as a result of your avowed Service with us causes the Flame of

Gratitude to well within My Being, since it is My great privilege to be the Heart of Unity, and to witness My humble Service to the Light and Life express so beautifully is almost overwhelming. Would that I might be able to convey to you what UNITY OF PURPOSE, in God's Name, means individually. To learn to be obedient to Heaven's law and function at all times from the Heart of the 'I AM', results in such a glorious experience that there are no words to describe it to you.

"UNITY is ONENESS, and oneness with God is the Goal which all must and shall one day attain. I say to you in all the Power and Conviction of My Being, why wait for the tomorrows to enjoy this bliss and to fulfill your purpose on Earth, when all it requires is submission to God-forgetting - discarding forever the audacious idea that the little self is of any consequence. Call to Me, Micah, for I have dedicated My energies, and shall continue to do so until all the peoples of this planet are in harmonious accord.

"I shall always dwell within you, for "I AM" the Spirit of Unity, and I enfold all your vehicles in My Mantle of Light; so please, in the future, do not brush My Garment aside, for I shall make you aware of My privileged service so that you may more quickly become one in consciousness and purpose with Us AT ALL TIMES!"

HERCULES: THE MIGHTY ELOHIM OF THE FIRST RAY  
AMAZON: HIS DIVINE COMPLEMENT

The Elohim Hercules and His Divine Complement, Lady Amazon, were the first to accept the opportunity of assisting the God-parents of this System, Helios and Vesta, to create the planet Earth out of primal Life Essence. When They answered the call of Helios and Vesta, these two great Beings, looking upon the God Design, said: "We WILL to help in the

creation of the Earth as a planetary home for generation yet unborn from the Heart of God". Preceding all constructive creation, must come the WILL TO DO accompanied by the strength to accomplish that which is designed to "widen the borders of the Father's Kingdom". Hercules and Amazon represent that Mighty Blue Flame of Strength, Power, and the WILL TO DO. Calling on Them to enfold you in Their Protection, Strength and Power, will draw Their mighty assistance into your world and your affairs, for no force ever opposes the Mighty Hercules!

DISCOURSE: ELOHIM-HERCULES

"In the Name of God, I bring you the FIRE OF HERCULES! "I AM" the Elohim who embodies the WILL TO DO! "I AM" the Elohim of DECISION - and God spare Me the vacillating man! Everything that has ever been accomplished on the plane of Earth, or any other plane, has been accomplished by men and women of Decision; by Angels, Elementals, and Devas of Decision; by Beings Who have voluntarily chosen to combine the energies of Their lives with the WILL TO DO. Without that WILL TO DO, there is no permanence of accomplishment.

"Preceding all action, preceding all manifestation, there must be the WILL TO DO within the consciousness. In this Universal Scheme, it is My privilege and honor to embody the Fire of Enthusiasm and the WILL TO DO that which God intends. It is My joy, My privilege and honor to bring to you the pressure of My Love and the Flame of My Heart; to expand upon your foreheads My Presence, Consciousness, and the WILL TO DO that which God intends.

"Are you content with what you are; with what you manifest today? Are you content with half a loaf when you could have a full one? Are you content to live in limitation and bodies of decay? IT IS WHAT YOU WILL that you MANIFEST!

## THE SEVEN STEPS TO PRECIPITATION

FIRST: Preceding all manifestation comes the desire, the DECISION and WILL TO DO. Preceding all activities in the outer world of form, you first desire and then make a decision to use your life in endeavoring to externalize some pattern or plan. I represent that activity to the Elohim.

SECOND: Following Me, the Mighty Elohim Cassiopeia gives the Gift of PERCEPTION (ILLUMINATION), the capacity to cognize the idea; to grasp it; to meditate upon it; and to draw forth the ways and means which will enable you to bring it most quickly and satisfactorily into form.

THIRD: After you have perceived, We come to the service of the Mighty Elohim Orion and DIVINE LOVE - the Power of Cohesion which draws the unformed into form. This is the power which draws primal life into the pattern or idea held in mind and sustains it there as long as desired.

FOURTH: Then comes the activity of the Mighty Elohim of PURITY, Claire. His action is to hold steady the clarified picture - not distorting it by any opinion or desire of the outer self - being a pure, clean pane of glass, as it were, through which that perfect idea is drawn down as a matrix and then filled in with Light Substance and perfected.

FIFTH: Next comes the activity of the Elohim VISTA (Cyclopea) holding the CONCENTRATION (and CONSECRATION) of the energies until the design is completed. His service is that which enables the mind to hold the pattern and not fly off at a tangent to some other plan; the channelling of the energies; and holding the pattern until completed.

SIXTH: For the purpose of Precipitation, the activities of the Sixth and Seventh Rays are inverted - and the Mighty Elohim ARCTURUS comes in with the use of the VIOLET FIRE,

the RHYTHM OF INVOCATION and PRECISION, the planning, the filing, the smoothing, perfecting the symmetry of the form.

SEVENTH: When it is all but completed, the activity of the Elohim of Peace (Tranquility) takes the form, increasing it in beauty, harmony and service; SEALING it within His flame of Cosmic Christ Peace. This enables the creation to be permanently sustained.

Everything which is created in Heaven's Realm immediately begins to expand into greater perfection and service. This is just the opposite of your activities on Earth where as soon as something is born or created, it begins to disintegrate and decay unless by conscious knowledge and use of the Law, some selfconscious intelligence definitely commands it sustained by conscious decree.

Follow our procedure through for the precipitation into form of some constructive idea or thing which you desire to manifest; first, of course, asking your Holy Christ Self within you to give you the picture of the perfect pattern of that which you desire to manifest. That which a man WILLS - HE SHALL HAVE; for the WILL is the magnetic power of the Godhead in the heart which does invoke and bring to man that which he desires. I fire you today with the realization that what you WILL to be, YOU WILL BE! What you WILL to manifest, MUST COME, for it is the Law!

Remembering HERCULES as you go forward, please do not accept such great limitation in your individual selves, when you know that it only requires the exercise of the WILL within you to draw forth ALL - ALL THAT YOU REQUIRE! Say often: "I WILL TO BE GOD-FREE! In the Name and by the Power of Hercules, I WILL TO BE GOD-MASTER! I WILL TO BE GOD INCARNATE!" and you will be Myself in ACTION!

## THE PEOPLE OF THE FIRST RAY

There are approximately three and one-half billion people in embodiment on the planet Earth at one time, and there are about ten billion who use the Earth as a school-room; and each one of these billions belongs to ONE of the Seven Rays or departments of Life. That means that they have an affinity for the particular qualities, talents, and attributes represented by one of the seven major departments of life and having built a momentum along that line, feel happy and comfortable when they are around people and vibrations similar to their own.

The First Ray people are much easier to recognize than are those of other Rays for they usually have limitless energy and strength, and are the ones who "get things done". They like ACTION; are born rulers and executives; and are capable managers of various activities. In the more undeveloped individual on the First Ray, their push and drive of energy can sometimes become unpleasant.

Those individuals who are in need of energy and strength and Faith in God and Good, shall call to the Great Beings on the First Ray - especially the Ascended Master El Morya, the Archangel Michael, and the Elohim Hercules and His Divine Complement, Amazon, and draw into themselves the energizing Blue Ray - frequently using the statement: "I AM" the Strength of Hercules; "I AM" my limitless Strength and Energy; and therefore I never get tired!"

Here appropriate music may be played while the attention is focused on the activities of the First (or Blue) Ray; the Ascended Master El Morya; the Great Archangel Michael; and the Mighty Hercules and Amazon - accepting Their mighty energizing Rays of Light and Love.

## PART IV

### OUTLINE FOR CLASS DIRECTORS

#### 1. THREE CANDLES

The three candles should be lighted by the leader BEFORE the students arrive. Soft music should be played for at least half an hour before class commences and students should maintain SILENCE and absorb the radiation.

#### 2. INVOCATION

After greeting the students, the director gives a short visualization, and then follows this with the Invocation:

Dearly Beloved Presence of God "I AM", the Source of all that is - everywhere present - anchored within each one of our hearts and the hearts of all mankind, we love and adore You! We acknowledge You to be the Owner and Giver of our Life, our Intelligence, our Substance, our ALL! Seal us in Your Light and Love and Power of Victorious Accomplishment. Blaze Your Light and Love before us and prepare the way that we may always walk in the Path of Light. Guard and protect us; guide and direct us; and give us the Illumination of the truth that will set us free! Let us manifest and BE Your Divine Love in action at all times, and sustain it through us to bless all the life we contact. We thank You.

Dearly Beloved Ascended Host of Light, all the Ascended Masters, Cosmic Beings, Seraphim, Cherubim and Angelic Host; the Elemental Kingdom and the Great White Brotherhood - and especially Ascended Master El Morya, Archangel Michael and Your Legions of Blue Flame, the Elohim Hercules and Amazon, and ALL Who serve on the First Ray; we send You our Love, and call to You to come and be with

us at this class, and charge us with Your Love, Faith in God, Protection, and whatever You see we need for use in our Service to the Light. We thank You!

3. LESSONS (Use Pages 2 to 21)

4. EXTINGUISH CANDLES (Use Closing Candle Service):

BLESSED FLAMES, EXPRESSIONS OF THE LIGHT ESSENCE OF THE SUPREME SOURCE 'I AM', we thank You for Your obedient service to the children of Earth. Clothed in the gratitude from our hearts, return thou now to the Heart-Center of Creation, to be again called forth at the Invocation of mankind to expand the borders of The Father's Kingdom, throughout Infinity!

We realize the Oneness of all Life, and in humility we bow before the Light of the Cosmos as we all serve as Pulsations of light in the Body of The Supreme Source "I AM"!

5. BENEDICTION

Sealed in the Love, Faith, Strength, Power, and Protection of El Morya, Archangel Michael, and Mighty Hercules and Holy Amazon, we thank the Great Ascended Hosts of Light, the Angelic and Elemental Kingdoms, for Your outpouring of Light and Love. We thank You for Healing, Supply, Wisdom, Protection, Perfection, and Your countless Blessings of every kind. Hold them sustained in, through and around us, and pour them through us to bless all the life we contact.

May the Benediction and Blessing of the Most High Living God, and the Peace which does surpass the understanding of the human mind be with you, each one. May the

God of Mercy, protect and guide you on your Spiritual Path toward Enlightenment and Freedom.

Archangel Michael; Archangel Uriel and Your Angels of Protection, Ministration and Ceremonial, we love, bless and thank You for Your service to us. Take up our humble efforts and amplify them with Your Mighty Love. Take them North and South, East and West, and cover our dear planet Earth with Love and Light, with Peace, Illumination, Healing, Freedom, Victory, and the WILL OF GOD made manifest through every electron belonging to this planet and its evolutions in any way. THIS SHALL BE for I have spoken as God's Most Holy Name - "I AM"!
